2025 - 2026 Parent and Family Engagement (PFE) Program

What is it?	<p>A strong academic foundation for students is created at home and school. All stakeholders are accountable to ensure that students have the best opportunity to learn and responsible for cultivating students' love of learning. Through a strong mutual respect teachers, staff, families and students will work together to provide student with skills they need for future success. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.</p>
Funding	<p>Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.</p>
Review	<p>All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.</p>
Family Meetings	<p>Parent Meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the cafeteria. You can enter through the main entrance. Meetings will be offered in person. Different meeting dates and times are offered for family convenience. At this time, we will have a meeting in the fall and the spring. The dates for those meetings are:</p> <ul style="list-style-type: none">• Tuesday, August 26, 2025 – 3:45 – 4:15• Wednesday, September 3, 2025 – 5:00 – 5:30• Tuesday, February 10, 2025 – 5:00 – 5:30 <p>As part of Title I our campus will also host parent / teacher conferences in the fall and spring to address student progress and allow an opportunity for parents and teachers to confer about the students. The dates for these conferences will be based on the parent signing up for a date that works best for them.</p> <p>Other meetings will include (but are not limited to): Meet the teacher, music performances, family nights, and parent orientations. Dates and times for all meetings will be communicated in advance of the meeting via class dojo and handouts.</p>
How to Be involved	<p>At this time, our campus is working to establish ways in which the parents can increase their involvement with the campus. Attendance at all campus events is a great way to be involved in your student's education and provides a glimpse into the on goings on campus. Plans for the upcoming year include:</p> <ul style="list-style-type: none">• Establishing a PTA

	<ul style="list-style-type: none"> • Holiday events (Valentine grams, etc) • Fill the Fridge • Teacher Appreciation events • Spirit day <p>Parents are also welcomed to talk with their student’s teacher about opportunities to volunteer within the classroom. If you do not know your child’s teacher please contact the campus at 456-1019 or contact the campus principal at elisha.moberly@ectorcountyisd.org</p>
<p>Family Trainings / Activities</p>	<p>Family Trainings / activities are opportunities for family members to come and learn from other parents, community members, and educators. The schedule listed below is subject to change. Any changes will be communicated via class dojo, emails, the campus website, or handouts.</p> <ul style="list-style-type: none"> • Meet the Teacher, August 7th 5:00 – 6:30 • Understanding TEKS / STAAR Breakdown (3rd - 5th) - September • Parent Teacher Conferences - September / April • Family Night - February • MOY assessment Check In - January
<p>Curriculum</p>	<p>The campus uses high quality district approved curriculum and resources. Our campus also supplements with rigorous and vetted materials to address student needs and to help with state assessment preparation.</p>
<p>Forms of Academic Assessments</p>	<p>Alamo follows the districts approved testing calendar which provides means of assessment for all students at various points throughout the year. each child is assessed via the same assessment which are modeled after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums. Students also receive progress monitoring through various learning platforms iReady, as well as benchmark testing through MAP.</p>
<p>Expected Achievement Levels on Academic Assessments</p>	<p>The State’s Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staarperformance-standards</p> <p>Each child’s growth is tracked throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their own learning growth. This information is shared with parents during parent teacher conferences and at other points as necessary throughout the year.</p>
