

①
When I don't get my way

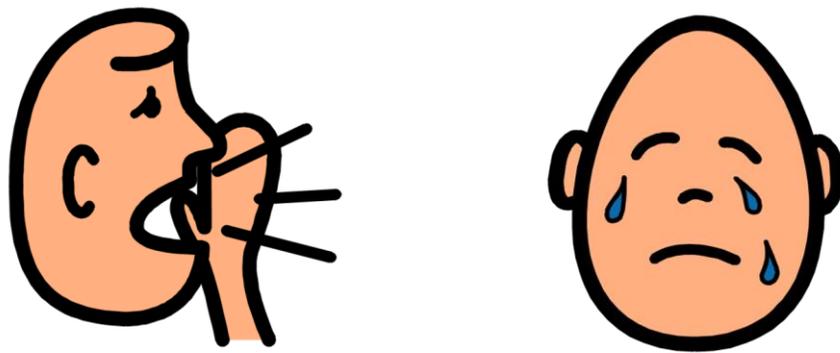

When I don't get my way

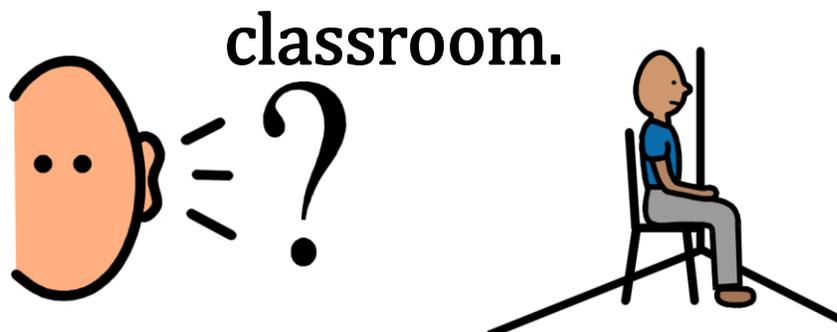

Sometimes I get mad when I don't get my

When I'm mad, I might scream or cry.

My screaming and crying hurts other people's feelings and disrupts the class. It makes it hard for my friends to listen to the teachers, and I will be sent out of the

**When I stay calm and do what the teacher
says, I can stay in the classroom and learn.
My friends can learn too.**
