Re: New Student Orientation

Dear Parent(s)/Student(s):

Welcome to Orchard Park High School! We are excited to invite your student(s) to our New Student Orientation taking place on Wednesday August 27, 2025. In addition to orientation, your child will receive a brand new Chromebook that they will be responsible for during their time at Orchard Park High School. Calculators will be distributed to students in their math classes once school begins.

If your child attended OPMS for 8th grade, they ***MUST*** bring their Chromebook and charger with them to turn in. Students who do not bring their Chromebook and charger will NOT receive the new Chromebook. If your child is unable to pick up their Chromebook at orientation, they should come to the 3rd floor Technology Office during the first few days of school. If you have any questions, please email [technology@opschools.org](mailto:technology@opschools.org).

Students will report to the Baker Road Entrance, to check in alphabetically by last name and receive a copy of their class schedule. Students will need their schedule before they go pick up their Chromebooks.

Once you have received your new Chromebook, students are encouraged to participate in the Activity Fair of clubs/organizations in the OPHS Commons from **6:00-6:50pm**. At 6:50pm students will all report to the OPHS Auditorium for a Welcome and Student Q&A Panel, followed by an opportunity for them to Walk Their Schedule until 8:00pm.

Chaperones will be stationed throughout the school to help guide students. For planning purposes, orientation will last approximately 2 hours. Please make arrangements with your student ahead of time, as there will be a large number of vehicles picking up at both entrances.
