Drop-off and Parking Clarifications

The safety of our children is at stake! Since the parking lot is off limits any time the buses and daycare vans are at the school, we need to make use of Longview Court and Longview Avenue. Please observe the following guidelines:

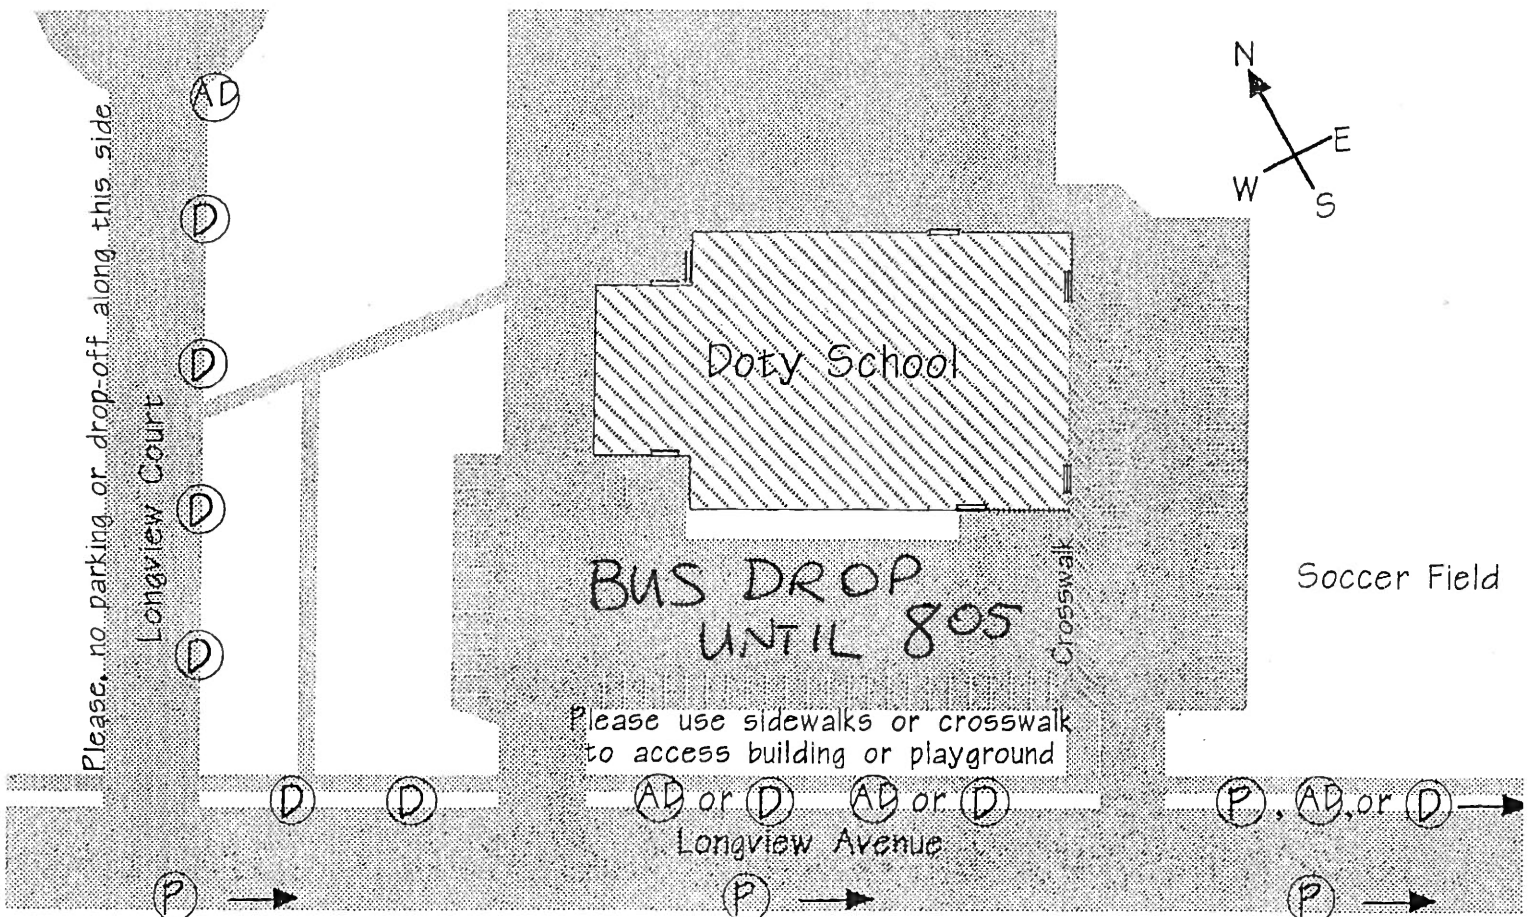

OPTIONS FOR DROP OFF

- **Drop off (drop and go) locations:** Designated “D” on the map below. Dropping off means that the child gets out of the car on his/her own and you are able to drive away without getting out of your car. Please do not have your child cross the street alone to get to school, not because they are unable to, but because other drivers can not always see them.
- **Assisted Drop off locations:** Designated “AD” on the map below. When you need to stop the car for a short time to help your child get out of the car and settled. Perhaps you need to get backpacks out of the trunk of your car. Please remind children to use the sidewalks and crosswalks (not the parking lot) to get to the back of the school.
- **Parking locations:** Designated “P” on the map below. Please walk with children across the street.

OPTIONS FOR PICK UP

- **Pick-up locations:** Designated “D” and “AD” on the map. Notice that these locations keep your child from having to cross any streets, which can be dangerous at pick-up times due to the high volume of moving traffic.
- **Parking locations:** Designated “P” on the map. Please walk with children across the street.
