

1 Install App

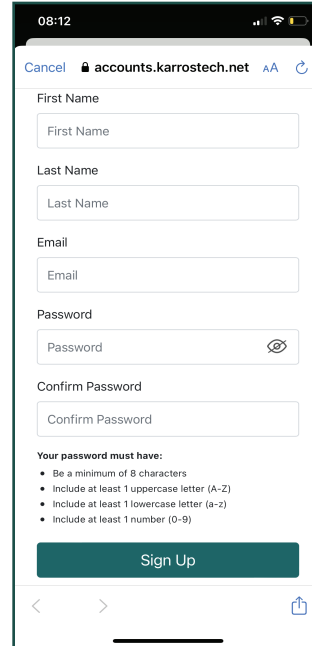

Find the Edulog Parent Portal app in the Google Play Store or iOS App Store and install. Look for the teal Edulog icon. You can also use the QR code provided in #2.

2 Sign Up

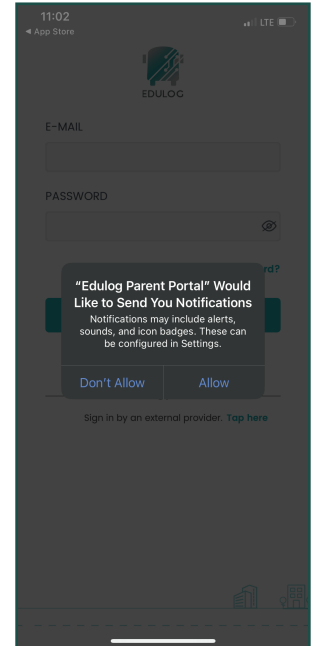

Scan the QR code with your smart phone to install the Edulog Parent Portal App. Once the app is installed, tap on "Sign Up" at the Login Screen. "Tap Here" if your school district tells you to sign on through your district provider.

3 Registration

Add your First and Last Name. Enter your Email. Enter and Confirm a Password. Then tap on "Sign Up."

4 Enable Notifications

Allowing notifications will be useful when it comes to tracking your student's bus location. This can always be adjusted in your phone's settings.

5 Verification

You will receive a message: Registration successful! Please check your email from no-reply@edulog.com to confirm your email address.

6 Sign In

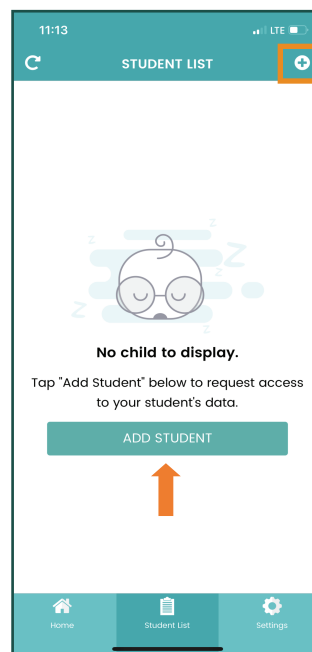

Enter your email. Enter your password. Select "Sign In".

7 Students

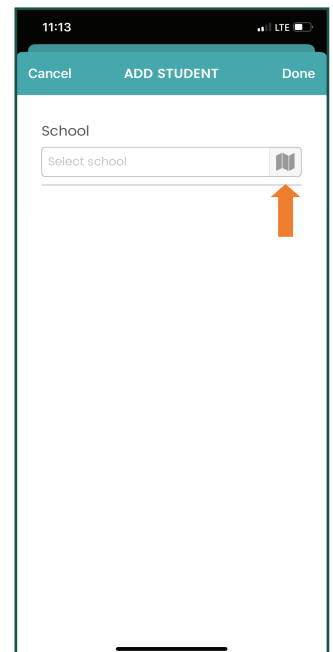

Student Transportation will not be listed yet. Go to "Student List" in the menu at the bottom of the app.

8 Add Student

Tap on ADD STUDENT. Additional students can be added using the + icon at the top right.

9 Find School

Enter the name of the student's school or find it using the map icon. Then confirm that you have selected the right school from your school district.
