FEDERAL TAX ID: 57-6024183

Dear business owner,

We are excited to start the Centennial 2025-2026 school year at Rosewood Elementary School! That's right, Rosewood is turning 100 years old this school year! We have several exciting events in the works and would love for you to help be a part of it! The PTO, along with our teachers and administration, have been working hard to help make this a great year for our students.

Part of what makes a school successful is support from the local community. As a business owner in our community, we hope that you will partner with us to help fund programs and activities that will enrich the learning experiences of our children. Your financial donation will directly impact students and teachers by helping fund projects like classroom resources, support for our teachers, and improved facilities.

To recognize your contribution, Rosewood Elementary will provide opportunities to share information about your business with our school families. Please review the enclosed information and select how your business can partner with us. If you have any questions, please email me at megudridge@gmail.com

We look forward to having you join the Rosewood family for the Centennial 2025-2026 school year and be a part of our rich history!

Sincerely,

Mollie Schmolze
President
Rosewood Elementary PTO
