A written summary report shall also be given to the employee at each meeting.

d. **Withholding of Step Increase:** In the event the employee is deemed to be doing unsatisfactory work by the supervisor at the end of the timeline established in the written action plan, the Superintendent or their designee may withhold all of the planned salary step increase from the employee until such time as the employee's performance becomes satisfactory; or by mutual agreement, the employee is reassigned to another assignment more closely aligned with their skills or abilities.

- **Employee Request for Meeting:** In the event an employee is concerned about whether their review process was conducted unfairly, the employee may request a meeting with the supervisor and an Association representative. This meeting shall occur prior to any final decision by the District to withhold a step increase.

e. **Completion of Probationary Period:** Employees who complete a probationary period shall be deemed to have been performing their position at a satisfactory or higher level during the probationary year.

Article 16 Severance Pay Plan

16.1 For the purpose of determining eligibility for retirement, employees who are M.E.R.F. members will qualify for retirement with twenty-nine (29) years and one (1) day of service with the district.

As of July 1, 2001 all employees that are currently members of the bargaining unit that have accrued ten years or more of continuous service with the employer, shall receive severance pay upon any separation, except for discharge for cause. In the event an employee dies, accumulated and unused sick leave will be paid at the current rate of pay to the beneficiary named by the employee for basic life insurance benefits. Employees with less than ten years of continuous service with the employer shall receive severance pay upon mandatory retirement or retirement at social security eligibility,

death, or layoff. Severance pay shall be equal to 100% of the employee's accumulated, but unused, sick leave balance (which balance shall not exceed 900 hours). As of April 1, 2008 employees who were members of the bargaining group as of July 1, 2001 shall have a payment deposited into an account with the Minnesota State Retirement System's Post-Retirement Health Care Savings Plan that equates to 100% of their unused sick leave (which balance shall not exceed 900 hours) balance. Implementation is subject to IRS rules and regulations.

For those employees who became members of the bargaining unit after July 1, 2001 Severance pay shall be calculated at 50% of the employee's accumulated, but unused sick leave balance (which shall not exceed 900 hours). As of April 1, 2008 employees who were members of the bargaining group after July 1, 2001 shall have a payment deposited into an account with the Minnesota State Retirement System's Post-Retirement Health Care Savings Plan that equates to 50% of their unused sick leave (which balance shall not exceed 900 hours) balance. Implementation is subject to IRS rules and regulations.

All employees hired effective July 1, 2008 and thereafter shall only be eligible for the Career Transition Trust.

16.2 **FORMER MAAC EMPLOYEES** who are at least fifty-five (55) years of age or who are credited with thirty (30) years of service by the applicable retirement fund will have payment for 55% of unused sick leave paid at the rate in effect at the time of separation, deposited into a Minnesota State Retirement Services (MSRS) Post-Retirement Health Care Savings Plan account established for the employee. This provision is subject to any limitations that may be imposed on such payments by statutes.

16.3 **FORMER ELT EMPLOYEES**: The District shall pay employees hired prior to July 1, 2010 the equivalent of fifty percent (50%) of unused accrued sick leave for employees who have been employed in the District at least ten (10) years, or fifty-five percent (55%) for employees who have been employed in the District fifteen (15) or more years. The amount shall be based on the daily rate of pay as of June 30, 2010 and shall not exceed the number of unused, accrued hours as of that date.

Employees may elect to have all or part of the severance payment placed into their account with the State of Minnesota Deferred Compensation Plan or the District sponsored Tax Sheltered Annuity (TSA) Plan consistent with the requirements of the plan. The balance, if any, will be paid directly to employees. Employees, not the District, are solely responsible for determining the maximum allowable annual contribution amount to deferred compensation/TSA.

To the extent permitted by Federal law and Treasury regulations or other similar guidance, accrued bona fide sick will be paid within two and one-half (2½) months of Participant's severance from employment so long as the employee would have been able to use the leave if employment had continued. Any balance remaining after application of the above calculations shall be paid out as a lump sum payment.

16.4 **CAREER TRANSITION TRUST:**

16.4.1 Definition of Plan:

a. Effective July 1, 2008, employees who meet the eligibility requirements may participate in Career Transition Trust by converting the allowable number of accrued sick leave hours, at 100% of their daily rate of pay, into payments to the State of Minnesota Deferred Compensation Plan (457) or the then applicable 403 (b) Plan offered by the District. The Career Transition Trust Plan is an employer contribution, which allows for such conversion until the employee reaches the maximum-capped deposit for the tier of benefits. The number of hours, which may be converted, is based on the sick leave conversion hours on September 1st of the fiscal year the conversion will be made.

b. Employees may elect to participate in the Career Transition Trust plan at any time they have met the eligibility requirements for participation in 16.4.2.

c. The total amount of dollars converted by an employee under the Career Transition Trust program is capped at $35,000.

   1) Effective July 1, 2024, there is no cap of total dollars converted by an employee under the Career Transition Trust Program

d. Any hours, which have been converted into the Career Transition Trust, will not be available for use as sick leave.

e. Employees who resign and are subsequently reemployed by the District are not credited with their previous sick leave accrual hours.

16.4.2 **ELIGIBILITY FOR PARTICIPATION IN THE CAREER TRANSITION TRUST:**

a. Sick Leave Balance

   1. To be eligible to convert accrued sick leave hours, employees must have a sick leave conversion balance of at least thirty (30) days on September 1st of the fiscal year of conversion.
   2. Employees must enroll annually to participate in the Career Transition Trust. If the employee's sick leave conversion balance drops below the eligibility minimum of thirty (30) days, the employee's participation is suspended until the employee reaches the minimum of thirty (30) days sick leave conversion required for eligibility and participation.

b. Deposit of benefit

   1. Payment to the State of Minnesota Deferred Compensation (457) or the then applicable 403(b) Plan shall be made by June 30th of each year the employee is eligible and elects to participate.

   3. This deposit is made in accordance with Minnesota Statute 352.96.
   4. **Rate of Pay:** All payments shall be made at the daily rate of pay at the time of deposit, to the extent allowable by law.

16.4.3 **BENEFIT TIERS AND CONVERSION FORMULA:** The balance in the sick leave conversion account is equal to the employee's current accrued sick leave added to any days previously converted.

Annual Conversion

a. The number of hours an employee may convert on an annual basis is determined by the employee's sick leave conversion balance and to the extent allowable by law.

b. Conversion is as follows:

1. Employees who have a sick leave conversion balance of 30-39 days may convert 8 days annually at their daily rate of pay.
2. Employees who have a sick leave conversion balance of 40-49 days may convert 10 days annually at their daily rate of pay.
3. Employees who have a sick leave conversion balance of 50 or more days may convert 12 days annually at their daily rate of pay.

16.4.4 **Separation from Employment**

a. An employee leaving prior to their annual conversion may elect to convert a sick leave balance under the same terms as current employees with a pro-rated benefit based on the amount of the previous year they worked. This shall be offered when an employee separates.

1) Exception: The District may offer this pro-rated benefit conversion at the same time as all other current employees if the employee is notified of that at the time of separation.

16.4.5 **Death of Employee:** The Career Transition Trust account shall be disbursed to the employee's named beneficiary on the 403B or 457 account as named at the time of death.

Step Two: ____% x Annual salary in the charts below = annual salary

Example:

An employee's assigned schedule is 48 weeks, pay grade & step are Grade 51, Step 5. The annual salary for a 52-week employee at that grade and step is 66,693:

Step One:	48 weeks	÷	52 weeks	=	92.31%
Step Two:	92.31%	x	$66,693	=	$61,564

MOA – On-Call Stipend

On-Call Stipend implementation

WHEREAS, Minneapolis Public Schools (District) and Association of Minneapolis Professionals, Minneapolis Association of Confidential Administrators, and Minneapolis Association of Administrators and Supervisors (Unions) have entered into collective bargaining agreements covering the terms and conditions of employment, which includes provisions for on call payments; and

WHEREAS, the District and Union desire to clarify how the yearly on-call stipend is paid out.

NOW, THEREFORE, BE IT RESOLVED, that the School District and Unions agree as follows:

THAT the following terms will apply:

1. The collective bargaining agreements call for an on-call stipend to be paid yearly to authorized employees, as determined by the District.
2. There will be no change in who is currently eligible or how much is paid out each year. Eligibility for the stipend is determined according to provisions in the bargaining agreements.
3. The amount paid will be prorated and paid during the school year to authorized employees in covered positions.
   a. An employee who works only part of the year will be eligible only for the months worked.
   b. An employee who is hired after the school year starts will only be paid for the months after they are hired.
4. The yearly stipend will be divided into nine (9) parts and then paid monthly throughout the school year.
5. If an employee in a covered position leaves a bargaining unit covered by this MOA, they will be paid for the full month in which they leave, regardless of the number of days worked in that month.
6. When an employee is hired, or transfers into a bargaining unit covered by this MOA, they will not be paid until the first full month they have worked in a covered position.
7. Parts 5 and 6 should ensure that at no time does the District pay out twice for the same position when a person is hired to replace another during the year.
8. The unions may agree proactively to a different proration scheme that is substantively similar to #3, at the request of payroll as long as #7 and #4 are still true.

BE IT FURTHER RESOLVED, that this Memorandum of Agreement modifies the implementation of the on-call benefit in the contract and shall apply, unless or until the parties agree otherwise.

MOA – Layoff and Reduction in Force

Layoff and Reduction in Force - 2024

WHEREAS, Minneapolis Public Schools ("District") and Association of Minneapolis Professionals (AMP), Minneapolis Association of Administrators and Supervisors (MAAS) and Minneapolis Association of Confidential Administrators (MACA), hereafter referred to as the "Unions", have entered into collective bargaining agreements covering the terms and conditions of employment; and

WHEREAS, The District anticipates budget constraints for the 2024-2025 fiscal year and will experience budget reallocations in the upcoming budget tie-out; and

WHEREAS, The District values its employees and the positive effect that low turnover and employee retention has on students; and

WHEREAS, the uncertainty of the layoff process can negatively impact employees and the District's ability to retain them and the parties' wish to be proactive; and

WHEREAS, any layoffs that occur are not the result of individual performance issues, but rather a reprioritization of resources; and

WHEREAS, the parties have previously agreed to MOAs that clarify the process surrounding layoff and posted positions that occur concurrently and those MOUs have sunset. The parties have an expired contract and anticipate bargaining in 2024 for a new contract:

NOW, THEREFORE, BE IT RESOLVED, that the District and Unions agree to the following terms:

1. Pursuant to the current Contract Language, the District shall not post externally openings covered by the Unions after April 1, 2024 and until May 30, 2024, unless or until #2 has been completed and the District shall not post internal openings, except as outlined in #2 or otherwise agreed to by the parties.
2. During that time period, vacant positions will be posted for application and consideration of internal employees and employees notified of layoff or excess first.
    a. Employees will be responsible for watching respective postings during this time and applying within the prescribed deadline.
    b. Employees shall have approximately one week to see the list of postings and decide which ones to apply for.
    c. As contract language requires, employees in any of the unions who apply and meet the required minimum qualifications will be guaranteed an interview.
    d. An employee who has been notified of excess or layoff may communicate such to the hiring manager during this internal process.

e. The Senior Officer of Human Resources will send out a communication encouraging hiring managers to give preference to internal candidates.
f. The schedule and timeline considerations are set out in attachment A. However, the parties may by mutual agreement set a specific schedule or step that benefits both parties and commence it prior to the date marked in #1 or with shorter intervals.

3. Positions left unfilled through this internal process will be posted both internally and externally for application and again, all internal applicants who apply and meet the minimum qualifications will be guaranteed an interview.
4. Should an internal employee in the Unions receive an offer for and accept a job within the district, the parties commit to facilitating that transition and for backfilling the resultant open slot through September 1, 2024.
5. The unions will be timely notified of each step in the process by Human Resources (HR) and the parties will work to proactively set up meetings during the period to ensure greater communication.
6. This Memorandum of Agreement shall apply only to layoffs made during the 2024 budget tie-out process. The parties shall discuss this MOU in bargaining and attempt to come to an agreement about whether to remove, change or renew it.
7. Enforcing implementation: This MOU shall be considered part of the Contract between the parties and can be enforced by the grievance procedure included in those Contracts.
