About Oltman Middle School

Oltman Middle School (OMS) serves students in grades six through eight. The framework of our school focuses around the “house” concept in which each grade has a core group of students aligned with a core group of teachers.

- OMS is dedicated to preparing students for future success through a rigorous, engaging curriculum and a supportive, inclusive environment where students feel valued and empowered.
- The school fosters meaningful relationships through its Advisory program, which enhances academic readiness, social-emotional growth, and student-teacher connections while promoting kindness, inclusion, and acceptance.
- Students explore their interests and develop leadership skills through diverse clubs, activities, and programs like Student Council, WEB mentoring for 6th graders, and the Student Ambassador initiative, ensuring every voice is heard.
- As an AVID National Demonstration School, Oltman emphasizes high academic standards with research-based best practices, differentiated support, and real-world connections to foster creativity, critical thinking, and academic growth.
- OMS celebrates excellence in academics and character through PBIS programs, Raider Rallies, and a commitment to equity, ensuring a welcoming and respectful environment for all students and families.
