About Newport Elementary School

Newport Elementary School (NES) serves students in Preschool through fifth grades and is part of SoWashCo Schools. Community relationships and tradition are important to NES, which has been serving students since 1888.

- NES fosters a close-knit, family-like environment where every student and teacher knows each other, creating a strong sense of community and respect.
- Smaller class sizes promote meaningful relationships, with committed teachers providing consistent, supportive learning experiences.
- Integrity is emphasized through student leadership through the Student Council and Student Ambassadors, who help make decisions and improve the school environment.
- Equity is prioritized with multicultural training for staff, Title 1 support for K-2 students, and an effective academic intervention system (MTSS) to assist students who need extra help.
- NES hosts monthly school-wide meetings that celebrate achievements and foster positive character development.
