

RMS/FHS Student/Spectator Expectations

Dear Parents and Student Athletes:

As we embark on the start of another school year and fall sports season, I would like to take the time to welcome everyone back as well as wish all our teams much success during their season.

As we kick off our season this coming week, I would like to take this time to remind everyone of the expectations and rules that have been put in place so as to provide a positive experience for all the spectators that visit our sporting events.

RICHARDS MS/ FRASER HS STUDENT/SPECTATOR EXPECTATIONS

1. Spectators must sit in the designated HOME/AWAY Bleachers
2. **At NO time is it appropriate** for SPECTATORS/STUDENTS to call out/chant opposing players names or numbers or yell at officials during the game. Spectators will be removed from the contest if necessary.
3. STUDENTS are to remain in the bleachers (not permitted to stand or sit on the floor) when cheering during an event/contest.
4. SPECTATORS will be removed from the facility if they interfere with the play of the game/officials/coaches/players or school personnel.
5. FHS Students must scan into all games with their student ID and must meet attendance requirements (3 or less tardies in a week) to enter the game at no charge. If a student scans red they must pay to enter.
6. **Richards Middle School** students need to present their student ID at the ticket table for Entry and be **accompanied by a parent** in order to enter the facility.
7. SPECTATORS **may not bring** outside food or drinks into the school or stadium.
8. Students **may not** bring backpacks into the contests.
9. **No outside balls or noise makers** that are not pre-approved by administration
10. Students are expected to sit in the bleachers and not hang out in the hallways, Athletic Entrance, Stadium entrance or open areas inside the stadium.
11. Students are **not to sit in or walk over** to the Visiting Teams Bleachers
12. In the event that a student is asked to leave a game, the parent or the guardian will be asked to take that student home.
13. Once a student/spectator exits the athletic facilities, **they will not be permitted to re-enter.**
14. Students **not representing schools competing in that day's contest** will not be permitted into the Fraser HS/MS athletic facilities.
15. **Spectators are to exhibit Sportsmanship at all time, cheer positively and support all those individuals involved in the event you are attending.**
16. Respect all Officials at all times as the number of officials available is declining. Don't be a reason why an official will not work a Fraser event in the future.

As always, the safety of our staff, students, and families remains our top priority. These additional measures will support our students in making good choices and create a safe environment for all to enjoy the event.

We encourage our families to take advantage of these athletic events. We can come together with our school community and reconnect with family and friends. Fraser is a special place and our athletic events allow our community to celebrate the rich history and tradition of our schools. These updated safety and support guidelines will be used for all Fraser High School indoor athletic events moving forward.
