

RUSH-HENRIETTA SCHOOLS – GRADES 9-12

1799 Lehigh Station Road
Henrietta, NY 14467

INSTRUCTIONS FOR TAKING MEDICATION ON SCHOOL-SPONSORED FIELD TRIPS

1. A signed medication form must be completed by the doctor and signed by the doctor and the parent before medication can be carried by the student and/or administered by the school nurse or an adult designee on a field trip.
2. Parents are to bring in and take home all medication. It cannot be brought to or from school by the student unless other arrangements have been made with the adult chaperone.
3. Medicine must be counted by the parent and brought to the Health Office or delivered to the adult chaperone in the original medication bottle.
4. It is recommended that you send only as much medicine as the student will require on the field trip.

MEDICATION FORM

Name _____ DOB/Age _____ Grade _____ Date _____
Medication** _____
***IF MEDICATION IS AN INHALER, DOES STUDENT HAVE PERMISSION TO CARRY? Yes _____ No _____*
Dosage _____ Time to be given _____
Reason to be given _____
Comments _____
