# A MESSAGE FROM OUR SUPERINTENDENT

Dear Students and Parents,

As we begin the 2025-2026 school year, I want to extend a warm welcome to all our families. Whether you are returning or joining us for the first time, we are proud to have you as part of our Bulldog Family!

The Stow-Munroe Falls City School District is committed to providing every student with a safe, supportive, and enriching educational experience. A new school year brings fresh opportunities for learning and growth, and our dedicated teachers, staff, and administrators have been working hard over the summer to prepare for another successful year.

To help you stay informed and organized, this dashboard serves as a go-to resource for the school year ahead. It provides quick access to important information such as school start times, student and parent apps, links to forms and supply lists, and transportation information.

I wish you a smooth start to the year and look forward to all the great things we will accomplish together!

Sincerely,

*Dr. Felisha Gould*

# BUS ASSIGNMENTS

To ensure convenience and accuracy, all bus assignments will now be available exclusively through the MyRide K-12 app. Please note that bus assignments will no longer be mailed to your home.

**Bus assignments for the 2025-2026 school year will be available in the MyRide K-12 app beginning August 14, 2025.**

If you're not yet familiar with the MyRide K-12 app, it is a school bus tracking tool that allows parents and students to access their bussing information – including bus stop location, route, and pickup time – right from their phone or device.

The app also offers:

- Real time bus tracking, so you know when your student gets on or off the bus
- Notifications to let you know when the bus is near your stop
- Ability to send and receive messages from the district about delays and dismissal

To access the app and register for an account, please follow these [instructions](#). For additional information about school transportation, visit our website at [SMFSchools.org](https://SMFSchools.org) and click on the "Transportation" link under the "Families" tab (in the top menu).

If you have questions or concerns, please contact the Transportation Department at 330-689-5234 or [ST\\_DBaker02@smfcsd.org](mailto:ST_DBaker02@smfcsd.org).
