QUESTION	The RFP outlines programming 5 days per week for 4 hours per day. Is this the maximum allowable time, or is the intent to serve two separate groups of students within that daily schedule?
ANSWER	It may vary. Most courses range from 2 - 3 times a week.
QUESTION	Given the short ramp-up timeline, would the district consider a staggered start to ensure a smooth and high-quality launch of services?
ANSWER	It may be considered.
QUESTION	Do the schools currently have instruments suitable for mariachi instruction? If so, could you share which types are available at each site?
ANSWER	Not at the moment. Proposal can include a cost fee outlined.
QUESTION	We understand the scope of the Mariachi and Gardening Enrichment listed in the RFP, but we did notice some questions in the narrative section mentioning tutoring. Was this a typo or is tutoring also needed for this RFP/proposal? Reference: pg. 18; e. <i>Continuous Improvement and Collaboration</i> .
ANSWER	Tutoring is not required.
QUESTION	Ballet Folklorico program is not listed — only the Mariachi program, which we are planning to apply for. Could you please let us know if the Ballet Folklorico program will be opened in this round
ANSWER	The District per the current RFP is seeking a provider for the Mariachi program. Submit proposals to address the RFP Scope of work. Ballet Folklorico is not part of the RFP.
