Lockhart K-8 School Unveils Murals and Artwork for 2025–2026 School Year

The Virgin Islands Department of Education (VIDE) proudly announces the unveiling of inspiring new murals and artwork at Lockhart K-8 School, marking a vibrant start to the 2025–2026 school year. The creative installation, a collaboration between talented local artists, faculty, staff, and community partners, transforms the school's campus into a space that radiates culture, pride, and inspires students, parents, and the wider community.

The mural project serves as both a visual celebration of the school's identity and a daily reminder of the values of creativity, unity, and perseverance. Rich in color and symbolism, the artwork reflects the Virgin Islands' cultural heritage, fostering an environment that encourages learning and pride.
