

4 HOUSES 1 FAMILY

RATONGA ZINTZO NABARA AMISTAD

At Buckeye Elementary we have a House system. Think Harry Potter! Each student, teacher, or staff member belongs to a House. Each student works to earn points for their House. Points can be earned for academic success, positive character traits, and much more. At the end of each month, we have a school wide pep rally. The House that earns the most points is rewarded with an entire week out of uniform the following week. We have this system to provide an atmosphere of positivity and team work. We encourage students to congratulate and show good sportsmanship to students in other Houses. Each House represents a positive character trait. They are as follows:

RATONGA - Service ***ZINTZO*** - Honesty ***NABARA*** - Respect ***AMISTAD*** - Friendship

We teach our students about these character traits and award them points when they exhibit these qualities!
Which House are you rooting for??
