High School Dust Collector Replaced

The dust collector in the Rainier High School Shop has been replaced and will be ready for a whole new year of creativity in our woods classes!

New/Updated Playground Equipment at Rainier Elementary!

Aging bars have been replaced and new options have been installed on the playground at our elementary school.

Floors Refinished and Paint Freshened!

Our middle and high school gym floors received their annual refinishing and our parking lots have had their curb, crosswalk, speed bump, and parking paint freshened!
