

**CYPRESS-FAIRBANKS ISD**

# **E-WASTE DRIVE**

**SAVE  
THE  
DATE!**

**SATURDAY, SEPT. 6  
8-11 A.M.  
AT THE BERRY CENTER**

## **REBOOT AND RECYCLE**

Join the CFISD Technology Department for our upcoming Community E-Waste Drive, benefiting the Cy-Fair Educational Foundation and Cy-Hope. By donating your old electronics, you are helping contribute to scholarships and other student support initiatives — all while keeping harmful waste out of landfills.

### **Why it matters:**

Your recycled devices help build brighter futures for students across our district and support vital community initiatives.

### **What to recycle:**

Whether it's an old laptop, phone, or tangle of cables, your e-waste can do more than take up space — it can fuel opportunity. Here's a list of what we are accepting:

- Computers
- Laptops
- Monitors
- Printers
- Servers
- Routers
- Phone Systems
- Keyboards
- Cellular Phones
- MIFI Units
- USB Hubs
- Cables
- DVD Players
- Cable Boxes
- Mice
- Switches
- Fax Machines
- Telephones
- Desktop Copiers
- Scrap Wire

### **Where to bring it:**

We'll be taking donations at The Berry Center,  
8877 Barker Cypress Rd, Cypress, TX 77433
