

2025-2026 Teaching Staff

One of the most exciting things about a new school year is meeting the teacher, or for older students, the many teachers with whom they will interact during the day. Here is your map of who-is-teaching-what at each school site, along with the administrator and school secretary information. For more information about what to expect in a given classroom, please contact your child's school.

Glennallen School (K-5 907.822.3232 / 6-12 907.822.5286)		Kenny Lake School (907.822.3870)
