

My name is Dr. Aleshea Jenkins, and the 2025-2026 school year will be my tenth year as the instructional coach at McNair Elementary. I graduated from the University of Missouri- Columbia with a Bachelor of Science in Elementary Education and a Master's in Curriculum and Instruction. I also have a Master's degree in Educational Administration and an Educational Doctorate in Teacher Leadership from Maryville University. As a Hazelwood School District alumnus, resident, and parent, I am committed to ensuring our district remains a premier learning environment for all students. In my role as instructional coach, I work daily to support McNair Elementary teachers with curriculum implementation, analyzing data, and planning to create the best educational experience for our students.

I am truly a lifelong learner, and believe every day is a chance to learn something new. I enjoy learning from other educators, parents, and the community to improve academic achievement. Please do not hesitate to contact me if you have curriculum questions, academic concerns, or would like to collaborate to bring special programs to our school.
