

August 14, 2025

Dear Faith Family Academy Families and Staff,

We are writing to share an important update regarding the 2024–2025 accountability ratings recently released by the Texas Education Agency (TEA).

On July 17, 2025, TEA notified school districts that preliminary accountability scores would be released in August and that districts would be allowed to review their data and submit corrections or appeals through September 12, 2025.

As of the preliminary release on August 13, Faith Family Academy received an F rating (59) for both the 2024 and 2025 school years. While this rating is disappointing on its face, we want our community to know that we have conducted a thorough review of our performance data—and we strongly believe that our true score for 2025 reflects a solid C rating (72).

This discrepancy appears to be the result of data submission or reporting issues that do not reflect the actual progress and achievement of our students, teachers, and schools. Our academic growth, College, Career, and Military Readiness (CCMR) indicators, and student success rates point to a stronger performance than currently reported.

We are working closely with our accountability team to correct the data and formally submit an appeal to TEA by the September 12 deadline. TEA will then review our appeal, and final accountability ratings will be released in December 2025.

While ratings are one tool for assessing performance, they do not fully capture the rich, inspiring work happening every day across our campuses. Our students continue to grow, our teachers remain committed to instructional excellence, and our families and staff are central to that mission.

We must remain focused, act with urgency, and work together to ensure Faith Family Academy becomes the gold standard in public education. Our mission to educate, empower, and inspire every child for lifelong success has never been more important—and we are confident in our path forward.

Together, we grow champions.

With appreciation and determination,

Mollie Purcell Mozley Ed.D.  
Superintendent of Schools  
Faith Family Academy
