Seminole Middle PTA: Building a strong partnership for student success

The Seminole Middle PTA strives to promote a close relationship between home and school. Our mission is to be a powerful voice for all children, a relevant resource for families, staff and communities, and a strong advocate for the education and well-being of every child.

Join us!

Monthly meetings provide an opportunity to actively participate in enriching the school community and supporting students' success.

Benefits of joining the PTA:

- Increased parental involvement can create a positive and supportive environment, leading to improved academic performance, better attendance, and fewer behavioral issues.
- Enhanced communication: PTAs serve as a communication channel between parents, teachers, and administrators, fostering open dialogue and collaboration.
- Fundraising and resource allocation: PTAs raise funds for school programs, activities, and improvements, supplementing the school's budget and enriching the educational experience.

You are cordially invited to our monthly meetings.
We'd love to see you there!
