

How do I Sign up for a Canvas Account as a Parent

Parents can sign up as an observer in Canvas. Observers can link their Canvas account to their student's account so they can see assignment due dates, announcements, and other course content. Observers can view the course content but cannot participate in the course.

Creating a Free Canvas Parent account

In a browser window, enter <https://isd743.instructure.com>

Next, click the “**Click Here for an Account**” link shown below:

Click the **Parents Signup** here link.

The image shows a 'Parent Signup' form with a close button (X) in the top right corner. The form contains the following fields and elements, each with a numbered callout:

- 1** Your Name: A text input field.
- 2** Your Email: A text input field.
- 3** Password: A text input field.
- 4** Re-enter Password: A text input field.
- 5** Student Pairing Code: A text input field. To its right is a link: [What is a pairing code?](#)
- 6** ☐ You agree to the [terms of use](#) and acknowledge the [privacy policy](#).
- 7** ☐ I'm not a robot: A checkbox next to the text 'I'm not a robot'. To the right is a reCAPTCHA logo and links for 'reCAPTCHA', 'Privacy', and 'Terms'.
- 8** Start Participating: A blue button. To its left is a 'Cancel' button.

Enter the following information:

1. Enter your name in the **Your Name** field.
2. Enter your email in the **Your Email** field.
3. Enter your password in the **Password** field.
4. Re-enter your password in the **Re-enter Password** field.
5. Enter a pairing code to link your account to your student in the **Student Pairing Code** field.
6. Agree to the terms of use by clicking the **You agree to the terms of use** checkbox.
7. Confirm that you are not a robot by completing the Captcha form (if enabled by your student's institution).
8. Click the **Start Participating** button.

This will complete your account set up. The email address and password you've created in this step will be your Canvas Parent Portal login credentials.

You can begin observing your student in Canvas immediately.

After creating an account paired with one child, you will be able to add pairing codes for additional children.
