

PTA MYTHS VS FACTS

1

MYTH

The PTA is exclusively for moms

FACTS

The PTA thrives on the support of all members. In addition to parents, we welcome guardians, grandparents, aunts, uncles, and local community members.

2

MYTH

If you join the PTA, you must volunteer

FACTS

Your support as a member is enough and does not require any additional volunteering unless you choose to do so.

3

MYTH

It's necessary to attend every meeting & participate in each event

FACTS

Your contribution is appreciated, no matter how much time you can offer. If you have a child in school, you're already part of the PTA community. While we have elected officers, contributions from volunteers like you truly make a difference!

4

MYTH

You can only be a member of one PTA

FACTS

There is no limit to the number of PTAs you can support. If you have more than one child and at different schools, please support them all!

5

MYTH

PTA Membership never expires & I have to join at the beginning of the year

FACTS

You need to join every year, and even though annual memberships run July - June, you can join anytime during the year!

6

MYTH

I can't help at events because I'm not available during school hours

FACTS

Volunteer opportunities extend beyond school hours. Even if you're unable to help during school days, there are chances to assist during weekend or evening events as well.

7

MYTH

PTA is only a social club

FACTS

PTA is a membership based advocacy association. Local PTAs build community between schools and families. Join to have your voice heard!

8

MYTH

You can only join the PTA at an event or at school

FACTS

We offer an online sign-up option, making it quick and easy to join and get started!
