   (Rachelle Ball, Director of Curriculum and Instruction)

   Rachelle Ball reported on the state requirement under SB 114 to implement a reading difficulties screener for students in kindergarten through second grade and asked the Board to approve the adoption of the Amira Learning Screener for the 2024–2025 school year. Rachelle noted that the program was piloted successfully, and that licensing and recommended headset costs are expected to remain within the allocated funding.

   Board Discussion: Discussed logistics around administering the screener, including microphone quality, background noise, and hygiene concerns. Rachelle confirmed that small group administration will be used initially and that alternative

arrangements will be made for students using personal headsets or needing quieter testing environments.

Board Member Masten motioned to adopt the Amira Learning Reading Difficulties Screener, as presented.
Board Member Keyzer seconded the motion.
Public Comment: None
Motion carried 3-0.

2. **DISCUSSION -** 2024-2025 Local Performance Indicator Self-Reflection Reports for the following entities *(reports linked)*:
   - Buckeye Union School District
   - Buckeye Union Mandarin Immersion Charter School
   - Valley View Charter Montessori School

   (David Roth, Ph.D., Superintendent)

   Superintendent Roth provided an overview of the state-mandated Local Performance Indicator Reports, which are submitted annually and will be posted by the State on the California School Dashboard, typically in the fall. The reports reflect that the District has appropriately assigned teachers, curriculum aligned with state standards, clean and functional facilities, ongoing family engagement efforts, a positive school climate, standards-aligned instruction, and access to a broad course of study. Superintendent Roth shared that data was gathered through teacher, parent, and student surveys, with overall results showing strong satisfaction and alignment. Final data, including written parent comments and subgroup analysis, will be presented in more detail at a future meeting before being submitted to the state system.

   Board Discussion: Board members asked about the nature of parent comments. Superintendent Roth explained that while most responses were highly positive, written comments—though fewer—often highlight individual concerns such as social or academic challenges. He emphasized that these comments are taken seriously and reviewed at both the District and site levels to ensure ongoing responsiveness and improvement.

   Public Comment: Eric Courville

3. **ACTION -** Adopt and Approve the 2024-2027 Local Control and Accountability Plan (LCAP) for the following entities *(reports linked)*:

(Brian McCahon, Director of Facilities)

Ms. McHaney reminded the Board that this is an annual item and advised the Board that the District is required to prepare the annual tax roll to be submitted to the El Dorado County Assessor in August. The Special tax levy and apportioning of the special tax requires the adoption of Resolution No. 25-20.

5. **ACTION -** Adopt Resolution **No. #25-21**: Determination of Use of Education Protection Account (EPA) Funds for 2025-2026

(Jackie McHaney, Asst. Superintendent)

Ms. McHaney reminded the Board that this is an annual item required per Proposition 30, approved by voters in 2012 and later extended by Proposition 55, which dedicates certain income and sales tax revenues to the Education Protection Account (EPA). She noted that Proposition 55 is set to expire in June 2030, and while EPA funds may be used for salaries and program costs (excluding administrative expenses), the expiration could place future pressure on State funding. For the current year, EPA funds are projected at $7,876,478, and staff recommended adoption of Resolution 25-21 to determine their use in accordance with the proposition's guidelines.

Board Member Keyzer motioned to approve Resolution 25-21, as presented.
Board Member Masten seconded the motion.
Public Comment: None
Motion carried 3-0.

6. **ACTION -** Approve 2024-2025 Estimated Actuals and Adopt 2025-2026 Budget with a Positive Certification

The conclusion is that Buckeye District is in a good financial position and it is recommended that the Board approve the 2024-2025 Estimated Actuals and the 2025-2026 Budget with a Positive Certification as presented.

Ms. McHaney thanked Mike Henkel, Director of Fiscal Services, for his excellent work on the budget and District finances.

Board Member Masten motioned to approve 2024-2025 Estimated Actuals and Adopt 2025-2026 Budget with a Positive Certification.
Board Member Keyzer seconded the motion.
Board Discussion: Board Member Masten asked for clarification on whether funds could be transferred from discretionary (unrestricted) accounts to special (restricted) accounts, noting that the transfer could occur in that direction but not the reverse, which Ms. McHaney confirmed.
Public Comment: None
Motion carried 3-0.

7. **ACTION -** Approve Salary Schedule for Contracted Employees

(Jackie McHaney, Asst. Superintendent)

Ms. McHaney reported that recent legislation (AB 1997, effective September 30, 2024) requires all certificated and classified employees, including positions not previously placed on a salary schedule such as superintendents, to be included on a publicly posted salary schedule meeting specific requirements. She explained that the proposed schedule applies to the District's only two contracted employees, Dr. Roth and herself, and that a comprehensive compensation study was conducted comparing salaries with nine similar districts to ensure competitiveness. Staff recommended Board approval of the contracted employees' salary schedule as presented.

Board Member Keyzer motioned to approve Salary Schedule for Contracted Employees, as presented.
Board Member Masten seconded the motion.
Public Comment: None

Motion carried 3-0.

8. **ACTION -** Approval of the 2025-2026 Superintendent Contract

(Jackie McHaney, Asst. Superintendent)

Ms. McHaney reported that Superintendent Roth has received a satisfactory evaluation from the Board. As a result, Addendum No. 15 to his contract extends the term by one year to June 30, 2028, maintaining a rolling three-year contract. The addendum also incorporates the new salary schedule language, placing him at Step 10 for the 2025–26 school year.

1. **ACTION -** Approval of Interim Principal Appointment at William Brooks Elementary School for the 2025-2026 School Year

(David Roth, Ph.D., Superintendent)

Superintendent Roth reported that Joel Dameral has been selected as the Interim Principal of William Brooks Elementary School for the 2025–26 school year. He shared that he had communicated this decision to the Brooks community the previous week, explaining that while an extensive search process was conducted with input from staff and families, given the lateness in the process the applicant pool did not fully align with the desired qualities and experience for the position. Following consultation with site employees, it was agreed that an interim appointment would best serve the students, teachers, staff and families, allowing the District to repost the position during the typical hiring period in February.

Mr. Dameral introduced himself as a lifelong resident of South Lake Tahoe with 31 years in education, including 18 years teaching at South Tahoe High School and 13 years as principal of Lake Tahoe Environmental Science Magnet School/Myers Elementary. He noted that a recent move to Lincoln provided an opportunity to serve in this interim role, expressed his excitement about joining the Brooks

community, and highlighted his experience, steady demeanor, and commitment to working collaboratively with staff to ensure a successful school year.

Board Member Yoffie motioned to approve the appointment of Joel Dameral as Interim Principal of William Brooks Elementary School
Board Member Keyzer seconded the motion.

What is Rotary Eighth Grade Leadership?

Rotary Eighth Grade Leadership is a professionally delivered three day intensive leadership training seminar conducted by Rotary District 5190.

The purpose of the project is to provide high quality leadership training, with a strong emphasis on ethics, to selected 8th grade students who have demonstrated leadership abilities.

Students are selected for participation by their middle school principals. Graduates are encouraged to assume leadership roles as they return to their middle schools and move on to high school.

For years the Rotary clubs have been offering high quality, professional leadership training for high school juniors who have demonstrated leadership abilities through Rotary Youth Leadership Awakening, or RYLA. This program is an opportunity to bring many of the benefits of RYLA to middle school students as they prepare to transition to high school and beyond. Choices made during this period of life often have a large impact on their future.

The Rotary Connection

Rotary is a leadership organization of local business, professional and community leaders who meet regularly, exchange ideas and get things done in our communities. Combined, we are one of the largest international service organizations, with more than 34,000 Rotary clubs in over 200 countries. Rotary District 5190 is comprised of 58 Rotary Clubs spanning a large geographic region including northern Nevada and northeastern California. We are dedicated to improving our communities and the world through humanitarian service, high ethical standards, and the promotion of world understanding and peace.

One of our goals in Rotary is to help young people develop their own leadership abilities and self-confidence to the fullest. To help accomplish that goal, Rotary clubs assist thousands of young leaders through Rotary Youth Leadership Awakening, or RYLA, programs each year.

Rotary clubs also sponsor other complimentary programs for young people. They include Rotaract, which is a Rotary sponsored service club for 18 to 30 year olds, Interact, which is a Rotary sponsored service club for high school and middle school students, and Rotary Youth Exchange, which provides the chance for high school students to live and study abroad for a year. Rotary Clubs also offer many scholarship programs, and The Rotary Foundation provides Global Scholarships and Peace Scholarships.

What Rotary District 5190 Eighth Grade Leadership Offers:

During the **REGL** program, you will:

- Learn how to be an effective leader in groups.
- Explore the advantages of complimentary skills in team building.
- Learn how to organize and conduct youth activities and community service projects.
