Absences

Student attendance continues to be a priority at LTHS. We continue to be committed to forming a partnership with parents/guardians to maintain regular student attendance and to prepare students for work/career expectations. Lyons Township High School is committed to the philosophy that every student should attend all of their classes every day. This does not include students that are medically unable to attend.

It is the parents'/guardians' responsibility to contact the Lyons Township High School Assistant Principals' Office either by calling or by completing the Absence Request Form through the Infinite Campus Parent Portal. **New this year, parents will have a mechanism for electronically reporting absences through Infinite Campus!** The Absence Request Form should be completed by the parent/guardian through the Infinite Campus Parent Portal prior to 7:45am on the day of the student's absence. Calls are expected on the day of the absence.

Please be prepared to provide the following information:

- student's name & ID number
- date of absence, periods missing
- reason for absence
- your relationship to student

For more information on absences, consult the student handbook.
