What is a transcript?

A transcript is the official, permanent record of a student's academic achievement.

The Academic Achievement Record (AAR) or transcript in Houston ISD documents:

- All finalized courses attempted for high school credit
- State (STAAR) End-of-Course (EOC) outcomes
- Graduation path (e.g., Distinguished Level of Achievement), targeted/fulfilled endorsements (e.g., *Multi-Disciplinary Studies*), and graduation date
- Certifications and acknowledgements
- Weighted and unweighted grade point average (GPAs)

© International Baccalaureate Organization 2014

GPA

The ***unweighted*** GPA is the traditional 4.0 scale: A=4, B=3, C=2, D=1, F=0.

GPA in Houston ISD is based on a ***weighted*** 4.0 scale, which awards an extra grade point for each successfully completed quality point (i.e., honors) class. For the weighted scale: A=5, B=4, C=3, D=2, F=0.

High school courses (e.g., Spanish 1) taken in middle school are excluded from the GPA calculation.

GPA = (Sum of GPA points earned during high school) / (Number of course inputs during high school)

© International Baccalaureate Organization 2014

Rank

Only 12th Graders are ranked officially in Houston ISD.

Rank is derived from ***weighted*** grade point averages.

12th Graders are ranked three times:

- June 30th
- October
- February

There is no re-ranking for the final (i.e., graduate) high school transcript.

© International Baccalaureate Organization 2014

Transcripts

Students will receive an updated transcript each time there is a new ranking. They should keep it and make copies as needed.

Official, digital transcripts are never sent to students and families.

Credit Recovery (CR) grades do not replace the originals.

Official (sealed) transcripts are to be purchased through School Pay. If the requesting institution accepts transcripts via email, we will send for free.

You need to know: IB Fee

- All 11th and 12th graders taking at least 1 IB class need to pay the annual $90 fee.
- Students qualified as economically disadvantaged may qualify for a reduced fee.
- IB course names end in SL and HL.

International Baccalaureate®
Baccalauréat International
Bachillerato Internacional
© International Baccalaureate Organization 2014

Why an IB fee?

It helps pay for IB tests, IB materials, digital resources, field trips, and teacher trainings for our IB programs and if earned the graduation stole.

The actual fee that HISD pays to the IB is $119 per course. When a student tests in five IB courses, HISD pays the IB $595.

You can make your annual payment through School Pay or in person at the Lamar business office.

Students who do not pay their annual IB fee *will not* be able to complete senior check-out in May.

No-Sit Fee Facts

- The district has paid $119 per IB course you are taking.
- If you skip an exam or assessment, you will pay a $25 no-sit fee to help recover the cost. (Required for senior check-out.)
- Skipping just one IB exam for a course prevents you from earning any college credit for the course. It's an automatic fail.
- Sleeping during an exam and arriving late will result in a no-sit fee.

International Baccalaureate®
Baccalauréat International
Bachillerato Internacional
© International Baccalaureate Organization 2014

Why should I complete my IB courses and exams?

- Follow through on your commitment to participate in a college-level course.
- Earn college credit from Texas public universities and many schools around the world.
  - Texas public colleges, including UH, UT, and HCC, are required to provide you with college credit when you earn the minimum passing score on an IB exam.
- Ensure you can exempt final exams if you meet all exemption requirements.
- Avoid paying the no-sit fee.
