

The district recognizes Vector Solutions as its primary system for training, performance support, safety compliance, and workforce development. Two key components of this platform – **SafeSchools & PD Tracking** – are utilized annually to support staff growth and ensure regulatory compliance.

**Vector Solutions – SafeSchools** – An online training system that delivers mandatory safety and compliance modules for all district staff. Training plans typically include: instructional videos, assessment questions, policy reviews, and digital signatures to verify completion. All assigned courses have specific due dates and are expected to be completed within 60 days of employment for new hires. **Trainings must be completed during working hours**, and employees should coordinate with their supervisors to ensure timely completion.

### SafeSchools Login

Training can be found on the HR Webpage under ‘Employee Training’ or by using the following Vector Solutions Login link: (<https://slpschools-mn.safeschools.com/login>)

**Username:** Employee ID Number  
*No password needed*

Training Modules supported best by using Google Chrome web browser

### My Assignments

Home Page displays your unique, mandatory trainings including due dates and downloadable Certificates for course completions

Group trainings are permitted for viewing the videos, however, **each employee must log into their own profile using their Employee ID to complete the Policy Reviews**. This serves as documentation of completion and confirmation of understanding.

**Vector Solutions – Professional Development (PD) Tracking** – Tool that helps schools efficiently manage staff (*primarily Teachers and Paraprofessionals*) professional development activities. This includes: scheduling and managing PD events, tracking completion and attendance, and maintaining digital transcripts. PD Tracking ensures alignment with state and district-level professional development requirements.

### Professional Development Login

Training can be found on the HR Webpage under ‘Employee Training’ or by using the following Vector Solutions Login link: (<https://tp1.goteachpoint.com/>)

**District ID:** slpschools

**Username:** Employee ID Number

**Password:** Existing or new password created

District ID
