

# LIGHTFOOT ELEMENTARY SCHOOL

Home Of The Timberwolves!

August 15, 2025

Hello Timberwolf families!

Thank you for taking ACTION to partner with Lightfoot teachers and staff.

The safety and well-being of our students and staff remain our highest priority. As we begin this school year, I want to reiterate and clarify some essential safety policies to ensure a secure and focused learning environment. Please check your child's backpack and have frequent talks about safety.

Students must keep cell phones and other electronic devices turned off and in their backpacks or lockers until they exit the building at the end of the instructional day.

Weapons are forbidden on school grounds, in vehicles on school property, and at school activities. Items that resemble weapons, even if they are toys or replicas, are strictly prohibited.

Vaping devices, tobacco products, and illegal substances are also prohibited.

OCPS prohibits any item or behavior that poses a threat, disrupts learning, or violates policy.

If your child is struggling, feels unsafe, or has information about a potential threat, please reach out to a school staff member. Additionally, reports can be made using the OC-SAFE Anonymous Tipline located on the school division website and each school's website.

We look forward to partnering with you for a safe and successful school year!

Stay PAWSitive Timberwolves!

Sincerely,

Merilee R. Grubb  
Principal
