
School Closings and Cancellations

The Superintendent for Mapleton Public Schools (the “District”) is empowered to close schools or to dismiss students early in the event of hazardous weather or other emergencies that threaten the safety, health, or welfare of students or staff members. It is understood that the Superintendent will take such action only after consultation with appropriate authorities.

Parents, students, and staff members must be informed early in each school year as to how they will be notified in the event of emergency closings, late starts, or early dismissals.

All staff members, except for teachers and personnel who work only on teacher workdays or on student days, unless otherwise notified, must be required to report to work as soon as possible on emergency days.

In the event school is physically closed due to a public health emergency, all staff with direct student contact or associated with student attendance will not physically report to work unless notified otherwise. Instead, the District will utilize a form of remote instruction. Remote instruction allows students to access lessons provided by and supported by their regular teachers and allows students to continue their sequence of learning despite their inability to access facilities.

To ensure all students have the ability to access their lessons via remote instruction, the District will provide devices with necessary software, take-home materials and assignments, as well as any other supplies necessary for students to complete their assignments.

During days of remote instruction, teachers will take attendance and monitor student participation through Infinite Campus. For situations that are out of the control of the student, days of remote instruction will be treated with the same exceptions as an excused absence in regard to work assigned.

The Superintendent (or designee) will develop administrative regulations or a plan for implementing this policy.

Adopted June 27, 2017, by the School Board for Mapleton Public Schools.

Revised August 25, 2020.
