

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Starr King TK-8 School	34-67447-6034920	May 27, 2025	June 24, 2025

Purpose and Plan Summary

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

☒ Schoolwide Program

☒ Additional Targeted Support and Improvement

The purpose of the School Plan for Student Achievement (SPSA) is to describe how a school plans to meet schoolwide program planning requirements pursuant to the Every Student Succeeds Act (ESSA), which includes Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI), and Targeted Support and Improvement (TSI).

Starr King TK-8 met the criteria for ATSI for the following indicators and/or student groups:

- African American- ELA, Math and Suspension
- Homeless- Suspension
- Students with Disabilities- ELA, Math, Chronic Absenteeism
- Two or More Races- ELA, Math, Suspension

Summarize the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The SPSA is developed around three goals aligned to the State priority areas and the San Juan Unified Local Control and Accountability Plan (LCAP):

Goal 1: Student Achievement and Implementation of State Standards

Goal 2: Student Engagement and Course Access

Goal 3: School Conditions, Climate, and Family Engagement

Within each goal are actions that include programs, services, resources, and expenditures that meet state and federal requirements. Each action provides a description of how federal and state resources are allocated toward increasing and improving academic achievement, social-emotional outcomes, school culture and climate, and family involvement.

SPSA planning is guided by a continuous improvement process that includes cycles of action, reflection, and adjusting. This is done in collaboration with educational partners, which includes the School Site Council (SSC).

Comprehensive Needs Assessment Components

- What did your data show (disaggregated by student group)?
- What did your root causes analysis reveal?
- What resource inequities did you discover?

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Root Cause Analysis

Please refer to the School and Student Performance Data sections where a root cause analysis is provided.

Resource Inequities

Please refer to the School and Student Performance Data sections where resource inequities will be discussed.

Input from Educational Partners

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

This year the needs assessment was conducted on an ongoing basis with several groups including the School Site Council (SSC) and English Language Advisory Committee (ELAC), with staff through whole staff meetings and committees such as Leadership Team and Safety Committee. Students as provided input through several opportunities to participate in listening circles. Through these collaborative meetings and dialogues, as well as through formal and informal conversations, families, community members, staff members were able to provide input on current goals and provide input for future needs.

School and Student Performance Data

Student Population

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

This section provides information about the school's student population.

2023-24 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
854	84%	58.8%	0.4%
Total Number of Students enrolled in Starr King TK-8 School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2023-24 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	502	58.8%
Foster Youth	3	0.4%
Homeless	26	3%
Socioeconomically Disadvantaged	717	84%
Students with Disabilities	63	7.4%

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	82	9.6%
American Indian	0	0.0%
Asian	337	39.5%
Filipino	2	0.2%
Hispanic	126	14.8%
Two or More Races	40	4.7%
Pacific Islander	7	0.8%
White	260	30.4%

School and Student Performance Data

Overall Performance

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

Students with Disabilities  Orange 122.4 points below standard Increased 13.4 points 50 Students	African American  Red 111.3 points below standard Declined 18.0 points 48 Students	American Indian  No Performance Color 0 Students
Asian  Red 131.7 points below standard Maintained 2.1 points 182 Students	Filipino  No Performance Color Less than 11 Students 1 Student	Hispanic  Orange 77.3 points below standard Increased 7.2 points 75 Students
Two or More Races  No Performance Color 83.5 points below standard Maintained 0.8 points 25 Students	Pacific Islander  No Performance Color Less than 11 Students 5 Students	White  Red 90.0 points below standard Maintained 1.3 points 127 Students

Lowest Performing Student Groups:

Which student groups are scoring at the lowest performing level on the dashboard indicator?

This includes student groups with “Red” Dashboard indicators or student groups with the lowest performance level (any color) compared to the overall rate.

The data above shows several student groups that are red on the California Dashboard. These groups are African American Students, Asian students, Socioeconomically Disadvantaged students (SED) and White students for ELA. These student groups either decreased or maintained on the dashboard. African American and SED students all decrease with African American students having the largest decline of 18 points followed by SED students with an 3 point decline. White and Asian students maintained. While overall there was a 3.3 point decline other groups did have growth. Including English Language Learners, Student with Disabilities, Homeless, and Hispanic students all had increases.

In comparison, all students scored 106.4 points below standard which was a decrease of 3.3 points from the previous year.

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

Some of the factors that may have contributed to these results are:

-58.8% of students at Starr King are English Language Learners (ELs). While they did have growth they still are learning English and are still developing their English skills, vocabulary, writing skills, phonics, etc. While they made growth they are still 121.9 points from standard. Many of our ELs fall under the group of Asian

- High Turnover of teachers and hiring of new teachers. While teachers are utilizing tools, resources, and trainings there is more learning needed around social emotional learning, classroom management, and planing to meet the diverse needs of our students.

- There is a lack of phonics, vocabulary, and other reading interventions to support all students.
- Needs to be increased focus on intervention and small group instruction
- Needs to be increased focus on integrated ELD supports and other scaffolds to help student access curriculum.

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

To help support the needs of our students and improve student outcomes we will need to:

- * Additional resources to support small group instruction and differentiation
- * Intervention teachers to support Universal Access
- * Instructional coach to support professional development in ELA, PBIS, and Math
- * Materials and professional development to support integrated ELD and materials and supplies to support ELA instruction.
- Supports and training to help new staff learn and grow to best support our students.
- Continued PLC work, data conversations, and time to use data to better drive instruction and interventions

School and Student Performance Data

Academic Performance Mathematics

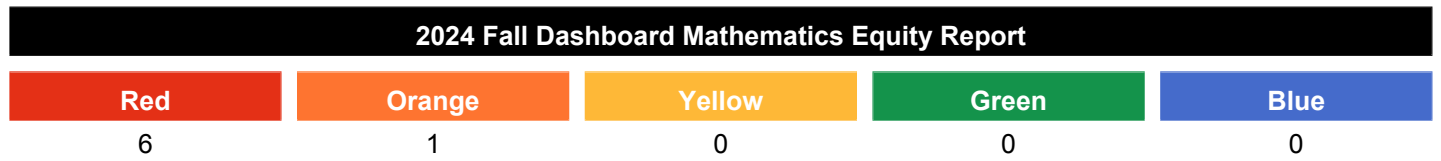

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2024 Fall Dashboard Mathematics Performance for All Students/Student Group		
<div>All Students</div> <div> Red</div> <div>138.2 points below standard</div> <div>Declined 10.0 points</div> <div>488 Students</div>	<div>English Learners</div> <div> Red</div> <div>143.8 points below standard</div> <div>Declined 4.6 points</div> <div>316 Students</div>	<div>Long-Term English Learners</div> <div> No Performance Color</div> <div>156.4 points below standard</div> <div>16 Students</div>
<div>Foster Youth</div> <div> No Performance Color</div> <div>Less than 11 Students</div> <div>1 Student</div>	<div>Homeless</div> <div> No Performance Color</div> <div>131.7 points below standard</div> <div>Increased 40.8 points</div> <div>23 Students</div>	<div>Socioeconomically Disadvantaged</div> <div> Red</div> <div>142.2 points below standard</div> <div>Declined 11.5 points</div> <div>431 Students</div>

Students with Disabilities  Red 186.9 points below standard Declined 16.0 points 50 Students	African American  Red 150.5 points below standard Declined 4.1 points 48 Students	American Indian  No Performance Color 0 Students
Asian  Red 153.6 points below standard Declined 8.2 points 192 Students	Filipino  No Performance Color Less than 11 Students 1 Student	Hispanic  Orange 117.2 points below standard Increased 3.7 points 74 Students
Two or More Races  No Performance Color 163.3 points below standard Declined 18.5 points 25 Students	Pacific Islander  No Performance Color Less than 11 Students 5 Students	White  Red 121.0 points below standard Declined 17.3 points 143 Students

Lowest Performing Student Groups:

Which student groups are scoring at the lowest performing level on the dashboard indicator?

This includes student groups with “Red” Dashboard indicators or student groups with the lowest performance level (any color) compared to the overall rate.

All students scored 138.2 points below standard which was decrease to the previous year. The student groups that are scoring at the lowest performing level in math on the dashboard indicator are students with two or more races, African American students, students with disabilities, White students, Asian students, English Language Learners, SED students, . Students with Disabilities scored 186.9 points below standard which was a decrease from the previous school year. African American students scored 150.5 points below standard which was a decrease from the previous year. Asian students scored 153.6 points below standard which was a decrease from the previous year, White students scored 121 points below standard which was decrease from the previous year. English Language Learners scored 143.8 points below standard and SED students scored 142.2 points below standard which were both decreases from the previous year.

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

- * More focus on math standards and frame work
- * High teacher turnover and many new teachers
- Classroom management and a need for more supports and trainings with SEL and PBIS
- More professional learning is needed to support diverse learning needs
- More need for coaching of teachers around data, math interventions, and etc.
- * Curriculum is out of date and teachers need support with implementation of Tier 1 classroom instruction
- * Lack of student foundational skills in math

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

After gaining input and looking at data the resources needed to help improve the outcomes for our lowest performing groups are:

- * Math Coach to support Tier 1 classroom instruction
- * Professional development to support Tier 1 instruction
- * Materials and supplies to support differentiation and small group instruction
- More opportunities for tutoring (shared input from EL families)
- More opportunities for teachers to collaborate, plan, analyze data, and to help meet the needs of students
- Focus on teacher learning and development around data and PBIS implementation
- Increase access to technology and technology tools to support learning

School and Student Performance Data

Academic Performance English Learner Progress

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2024 Fall Dashboard English Learner Progress Indicator	
English Learner Progress	Long-Term English Learner Progress
 Green	 No Performance Color
55.2% making progress.	53.8% making progress.
Number Students: 366 Students	Number Students: 13 Students

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2024 Fall Dashboard Student English Language Acquisition Results			
Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
7.1%	37.7%	0.5%	54.6%

Lowest Performing Group:

Looking at your ELPI groups, where did you see the greatest growth and what data point is an area for improvement?

Looking at our data we had the greatest growth in students progressing at least one ELPI level. 54.6% of students increase one ELPI level with 55.2% of students are making progress. This was a green indicator for us on the dashboard. Also 53.8% of our Long-Term English Learners are also making progress. We did have 7.1% of student decrease by one ELPI level and 37.7% maintained ELPI levels.

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

The data shows growth of our EL students. This may be contributed to ELD/UA times where students are learning English and how to read. Also the use of the EL Achieve curriculum may also have help EL students grow.

- There still needs to be a focus on more classroom supports and integrated ELD.
- More supports are needed for families as they may lack the supports to help at home.
- Vocabulary, phonics skills, reading, and writing are still areas of deficit

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

The data and input show that resources that are needed to support ELs and improve their outcomes are:

- Continued focus on ELD supports (EL Achieve, material and supplies, etc.)
- Looking at data and planning instruction off of data to continue EL growth
- Training and Coaching support of teachers and new teachers to help support EL students in classrooms
- ELD and UA model continuing

Lowest Performing Student Groups:

Which student groups are scoring at the lowest performing level on the dashboard indicator?

This includes student groups with “Red” Dashboard indicators or student groups with the lowest performance level (any color) compared to the overall rate.

No indicators are red on the Dashboard for any students groups in the area of Chronic Absenteeism. All groups had a decline in chronic absenteeism. with all students declining 8.4 points. Many groups had a significant decrease for the previous year with African American students, Students with Disabilities, Homeless students, Student of Two or More Races, and Hispanic students all having double digit declines. The overall chronic absenteeism rate is at 31.9%. There are some student groups that are at a higher rate including Two or More Races, African American students, Hispanic students, Students with Disabilities, and Homeless students.

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

While as a site we had growth in this area there are still factors that contribute to students absence rate.

- * Lack of transportation
- * High transiency rate of families and students
- * Increase of student experiencing mental health and behavioral needs
- * Families experiencing socioeconomic challenges

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

Some resources that could help support improve attendance outcomes for students are:

- More opportunities for families to engage with the school

- Increase opportunities for families communication around school activities, absences, tardies, etc
- Increase enrichment opportunities for students including things like clubs, tutoring, field trips, etc.
- Materials and Supplies to support engagement and attendance

Students with Disabilities  Green 2.3% suspended at least one day Declined 4.2% 87 Students	African American  Red 14.4% suspended at least one day Increased 0.4% 97 Students	American Indian  No Performance Color 0 Students
Asian  Red 6.4% suspended at least one day Increased 2% 439 Students	Filipino  No Performance Color Fewer than 11 students - data not displayed for privacy 3 Students	Hispanic  Red 8.5% suspended at least one day Increased 3.8% 142 Students
Two or More Races  Red 14.3% suspended at least one day Maintained 0.2% 49 Students	Pacific Islander  No Performance Color 9.1% suspended at least one day Maintained 0% 11 Students	White  Red 7.9% suspended at least one day Increased 1.1% 317 Students

Lowest Performing Student Groups:

Which student groups are scoring at the lowest performing level on the dashboard indicator?

This includes student groups with “Red” Dashboard indicators or student groups with the lowest performance level (any color) compared to the overall rate.

8.2% of students were suspended at least one day last year. This is an 1.5% increase from the previous year. Student groups that are in the red dashboard indicator for suspension are Two or More Races (14.3%), White students (7.9%), Asian students (6.4%), African American students (14.4%), and SED students (7.4%). All these groups had an increase from the previous year minus students of Two or More Races who maintained from the previous year.

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

This year we have had a focus on safety and supports to help improve suspension rate but some area that are contributing to these results above are:

- * Staff feels that they are not equipped to support students are coming to school with trauma
- Negative use of social media and phones
- *More Tier 2 PBIS supports to help are neediest students
- Students needing support in handling conflict and conflict resolution
- Lack of social emotional curriculum being utilized
- Need increase focus on restorative practices and alternatives to suspension
- * Lack of understanding of how behavior effects schooling
- * Lack of staffing and new teacher that are learning how to best support behavioral needs (especially in middle school)

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

Resources needed to support lowest performing groups and improve outcomes:

- PBIS supports including coaching and behavior support specialist
- use of curriculum
- continued PBIS training and supports for all staff, but especially new teachers
- Increase focus on restorative practices, accountability projects, and alternative to suspension
- Increase focus on student participation and engagement in learning
- More work with families and the community supporting each other and education of the use of social media/phones
- Continued work on teaching students how to manage conflict and emotions

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Student Achievement and Implementation of State Standards

LEA/LCAP Goal

Improve achievement and outcomes for all students as measured by performance on statewide assessments, English proficiency, and college and career preparedness.

SPSA/Goal 1

Improve achievement and outcomes for all students as measured by performance on statewide assessments, English proficiency, and college and career preparedness.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

What data did you use to monitor progress and how often?

CAASPP - once a year
iReady - each trimester
Local Assessments - every six to eight weeks
ELPAC - once a year
UFLI- Each Trimester
Classroom Data

What worked and didn't work? Why? (monitoring)

Successful Practices:

- * School-wide Universal Access for ELA Intervention
- * Regular Assessment and progress monitoring used to group students for Universal Access
- * Full-time Academic Coach to support with professional development for Universal Access and ELA
- * Full-time Math Instructional Coach to support and provide improved instructional practices, professional development, planning, and modeling for all teachers
- * Additional Intervention teachers to support small group UA model
- * Release time for data conversations
- * Upgraded technology
- * Use of EL Achieve materials to support high number of EL students
- * Use of technology software
- * Integration of GLAD strategies in most classrooms
- * Access and opportunity for students to participate in AVID elective in middle school

Areas of Growth for Future Success:

- * Expand GLAD use in classroom for integrated instruction
- * Focus on Tier 1 math instruction
- * Retain qualified teachers for consistency from year to year
- * Continued work and staff professional development in PLCs
- * Support and modeling for Integrated ELD strategies
- * Improve reading and writing instruction and rigor across grade levels
- * Expansion of AVID elective in middle school

What modification(s) did you make based on the data? (evaluation)

- * Professional Development and staff to support teachers with Tier 1 math instruction, ELA, and PBIS
- Increase use of restorative practices and accountability projects for alternative to suspension
- Increase the use of PLCs to evaluate data, plan instruction, and provide professional development
- Increased focus on classroom academics in ELA and Math including focus on grade level standards, use of rigors curriculum, small group instruction, and supports for intervention

2025-26

Identified Need

Identified needs are as follows:

- Continued need for academic interventions
- more tools/supplies/materials for interventions

- continued need for counseling
- more training around math and ELA
- continued need for academic coaching to support new and veteran teachers.
- continued work on EL supports including EL Achieve, GLAD, etc

Annual Measurable Outcomes

Metric/Indicator	Baseline 2024-25		Expected Outcome 2025-26
ELA State Assessment: Change in scale score	All Students	106.4 points below standard	+3 scale score points
	English Learners	121.9 points below standard	
	Foster Youth		
	Homeless	95.0 points below standard	
	Socioeconomically Disadvantaged	111.2 points below standard	
	Students with Disabilities	122.4 points below standard	
	African American	111.3 points below standard	
	American Indian		
	Asian	131.7 points below standard	
	Filipino		
	Hispanic	77.3 points below standard	
	Two or More Races	83.5 points below standard	
	Pacific Islander		
	White	90.0 points below standard	
Math State Assessment: Change in scale score	All Students	138.2 points below standard	+3 scale score points
	English Learners	143.8 points below standard	

Metric/Indicator	Baseline 2024-25	Expected Outcome 2025-26
	Foster Youth Homeless 131.7 points below standard Socioeconomically Disadvantaged 142.2 points below standard Students with Disabilities 186.9 points below standard African American 150.5 points below standard American Indian Asian 153.6 points below standard Filipino Hispanic 117.2 points below standard Two or More Races 163.3 points below standard Pacific Islander White 121.0 points below standard	
English Language Learner State Assessment: Change in percentage of English language learners making progress on ELPAC	55.2%	+2%
English Learner Reclassification: Percentage of English language learners who are reclassified to Fluent English Proficient	5.77%	+2%

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity & Proposed Expenditures

SPSA #	Action/Service	Principally Serving	Source(s)	Proposed Allocation	Implementation Timeline
1.1	Provide opportunities for staff to engage in professional learning. This includes but not limited to conferences, books studies, professional development, subs for release time, pay, etc in the areas of math and ELA. Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Student Engagement and Course Access

LEA/LCAP Goal

Provide students with engaging programs, course work, and opportunities that address attendance, dropout, graduation, and access to a broad course of study.

SPSA/Goal 2

Provide students with engaging programs, course work, and opportunities that address attendance, dropout, graduation, and access to a broad course of study.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

What data did you use to monitor progress and how often?

We used monthly attendance and chronic absenteeism data, as well as responses to the School Climate Survey to monitor progress. Monthly and once a year.
School Culture Survey results - Once a year

What worked and didn't work? Why? (monitoring)

Successful Practices:
* Attendance Academy where students met with staff to set goals
* Regular communication with parents regarding attendance
* Recognition and prizes for improved attendance

Areas of Growth for Future Success:

- * Family recognition for improved attendance
- * Planned recognition for student attendance
- * Greater outreach to families and resources needed
- More opportunities for

What modification(s) did you make based on the data? (evaluation).

- * Continued work, training, materials, supplies to support PBIS to build positive culture
- Focus on Tier 1 SEL curriculum (Everyday Speech)
- Increase opportunities for tutoring, enrichment, etc to support student excitement about school
- * Attendance Academy
- * Increase communication with families around attendance and tardies

2025-26

Identified Need

- * Recognition
- * Prizes
- * Staff
- Communication to families around attendance and tardies (teacher, office, etc using talking points)
- Opportunities for tutoring, enrichment actives, clubs

Annual Measurable Outcomes

Metric/Indicator	Baseline 2024-25		Expected Outcome 2025-26
Chronic Absenteeism: Percentage of students who were absent 10 percent or more of the instructional days they were expected to attend in TK-8	All Students	31.9% Chronically Absent	-0.5%
	English Learners	25.5% Chronically Absent	
	Foster Youth		
	Homeless	41.9% Chronically Absent	
	Socioeconomically Disadvantaged	32.1% Chronically Absent	

Metric/Indicator	Baseline 2024-25	Expected Outcome 2025-26
	<p>Students with Disabilities 46.5% Chronically Absent</p> <p>African American 42.9% Chronically Absent</p> <p>American Indian</p> <p>Asian 24% Chronically Absent</p> <p>Filipino</p> <p>Hispanic 40% Chronically Absent</p> <p>Two or More Races 48.9% Chronically Absent</p> <p>Pacific Islander</p> <p>White 30.6% Chronically Absent</p>	
Attendance: Percentage of the school year attended for students in TK-12	90.8%	+1.5%
High School Dropout Rate: Percentage of high school students who dropout (based on the 4-year cohort outcomes)	N/A	NA
Middle School Dropout Rate: Number of middle school students (grades 6-8) who dropout of school.	0%	0%
Graduation Rate: Percentage of students who graduate high school within 4 or 5 years.	<p>All Students</p> <p>English Learners</p> <p>Foster Youth</p> <p>Homeless</p> <p>Socioeconomically Disadvantaged</p> <p>Students with Disabilities</p>	.

Metric/Indicator	Baseline 2024-25	Expected Outcome 2025-26
	African American American Indian Asian Filipino Hispanic Two or More Races Pacific Islander

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

School Conditions, Climate, and Family Engagement

LEA/LCAP Goal

Address factors both inside and outside the classroom that impact student success such as family engagement, health, safety, discipline, connectedness, facilities, materials, and staffing.

SPSA/Goal 3

Address factors both inside and outside the classroom that impact student success such as family engagement, health, safety, discipline, connectedness, facilities, materials, and staffing.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

What data did you use to monitor progress and how often?

Data Used to Monitor Progress:

- * Suspension Rates for CA Dashboard
- * District Survey
- * Parent Input
- * Informal staff feedback at staff meetings
- * School Site Council feedback
- * Site COST referral
- * SWIS data from PBIS
- Data on Unified Insights - twice a month

What worked and didn't work? Why? (monitoring)

Successful Practices:

- * School Community Specialist
- * School Behaviorist
- * PBIS Tier 1 practices
- * Partnerships with community partners such as Project Optimism and Superior Sports
- * Calm-down spaces
- * Restorative conferences and use of accountability projects
- * Counseling support with SEL lessons in classroom and one-one counseling
- * De-escalation strategies
- * Trauma informed practices
- * Campus Monitor and rec aids to support with safety and emotional regulation
- * Streamlined parent communication (TalkingPoints)
- * Use of Live School in middle school to support with recognition of positive behaviors
- * Integration of parent support and community partners with racial tensions

Areas of Growth for Future Success:

- * Increase opportunities for student leadership
- * Increase parent and community partner support with racial tensions
- * Early identification of students in need of behavior support as well as functional behavior analysis
- * Support for new teachers with implementation of PBIS Tier 1 supports

What modification(s) did you make based on the data? (evaluation)

- * Increase community partnerships
- * Increase supervision during unstructured times
- * Aligned PBIS practices schoolwide including middle school
- * Increase use of TalkingPoints to include parents and families as part of solutions

2025-26

Identified Need

-PBIS Coordinator/Coach

* Behaviorist

* Increase professional development around Restorative Practices and use of accountability projects to support alternatives to suspension

- Counselor for additional support for K-2 students
- Data monitoring, data conversations, and planing to help support the implementation of PBIS and help reduce incidents of behavior
- Use of Tier 1 social emotional curriculum (Everyday Speech)

Annual Measurable Outcomes

Metric/Indicator	Baseline 2024-25		Expected Outcome 2025-26
Suspension Rate: Percentage of students who were suspended for an aggregate total of one full day or more anytime during the school year in TK-12.	All Students	8.2% suspended at least one day	-0.3%
	English Learners	5.8% suspended at least one day	
	Foster Youth		
	Homeless	6.7% suspended at least one day

Goal 2	12,699.00
Goal 3	89,541.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members
- 0 Secondary Students

Name of Members	Role
James Reinhard	Principal
James Hutton	Other School Staff
Kate Elliott	Classroom Teacher
Karel Prochazka	Classroom Teacher
Maya Chavez	Classroom Teacher
Matthew Simon	Parent or Community Member
Emily Eshraghi	Parent or Community Member
Kimberly Phelps	Parent or Community Member
Brenda Lopez	Parent or Community Member
Tiffany Camacho	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 27th, 2025.

Attested:

Principal, James Reinhard on May 27th, 2025

SSC Chairperson, James Hutton on May 27th, 2025

Budget By Expenditures

Starr King School (K-8)

Funding Source: LCFF Rec Aide Allocation

\$4,130.00 Allocated

Proposed Expenditure	Object Code	Amount	Goal	Action
	2000-2999: Classified Personnel Salaries	\$4,130.00	Engaging Academic Programs
