

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|------------------------------|-----------------------------------|--|---------------------------|
| Carmichael Elementary School | 34-67447-6034391 | June 3, 2025 | June 24,2025 |

Purpose and Plan Summary

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

☒ Schoolwide Program

Summarize the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The SPSA is developed around three goals aligned to the State priority areas and the San Juan Unified Local Control and Accountability Plan (LCAP):

Goal 1: Student Achievement and Implementation of State Standards

Goal 2: Student Engagement and Course Access

Goal 3: School Conditions, Climate, and Family Engagement

Within each goal are actions that include programs, services, resources, and expenditures that meet state and federal requirements. Each action provides a description of how federal and state resources are allocated toward increasing and improving academic achievement, social-emotional outcomes, school culture and climate, and family involvement.

SPSA planning is guided by a continuous improvement process that includes cycles of action, reflection, and adjusting. This is done in collaboration with educational partners, which includes the School Site Council (SSC).

Comprehensive Needs Assessment Components

- What did your data show (disaggregated by student group)?
- What did your root causes analysis reveal?
- What resource inequities did you discover?

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Root Cause Analysis

Please refer to the School and Student Performance Data sections where a root cause analysis is provided.

Resource Inequities

Please refer to the School and Student Performance Data sections where resource inequities will be discussed.

Input from Educational Partners

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

School Site Council: Met 7 times throughout the school year
District Parent Climate Survey: District wide parent survey during January
Student Empathy Gathering Sessions: Met 4 times throughout the year
Site Leadership Meetings: Met every other week throughout the school year
Student Leadership Meetings: Met every week throughout the school year
Teacher and Staff Input Sessions: Met three times during after school during staff meetings
ELAC Meetings: Met 4 times throughout the year
Parent Meeting and Conversations: Met monthly with family throughout the school year

School and Student Performance Data

Student Enrollment Enrollment By Student Group

| Student Enrollment by Subgroup | | | | | | |
|--------------------------------|-----------------------|--------|--------|--------------------|-------|-------|
| Student Group | Percent of Enrollment | | | Number of Students | | |
| | 21-22 | 22-23 | 23-24 | 21-22 | 22-23 | 23-24 |
| American Indian | 0.300% | 0.89% | 0.78% | 1 | 3 | 3 |
| African American | 11.68% | 13.06% | 11.23% | 39 | 44 | 43 |
| Asian | 13.17% | 15.43% | 17.75% | 44 | 52 | 68 |

School and Student Performance Data

Student Population

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

This section provides information about the school's student population.

| 2023-24 Student Population | | | |
|--|--|--|---|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 383 | 69.7% | 32.1% | 0.0% |
| Total Number of Students enrolled in Carmichael Elementary School. | Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma. | Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses. | Students whose well being is the responsibility of a court. |

| 2023-24 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 123 | 32.1% |
| Foster Youth | 0 | 0.0% |
| Homeless | 24 | 6.3% |
| Socioeconomically Disadvantaged | 267 | 69.7% |
| Students with Disabilities | 85 | 22.2% |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 43 | 11.2% |
| American Indian | 3 | 0.8% |
| Asian | 68 | 17.8% |
| Filipino | 1 | 0.3% |
| Hispanic | 78 | 20.4% |
| Two or More Races | 28 | 7.3% |
| Pacific Islander | 3 | 0.8% |
| White | 159 | 41.5% |

School and Student Performance Data

Overall Performance

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

Lowest Performing Student Groups:

Which student groups are scoring at the lowest performing level on the dashboard indicator?

This includes student groups with “Red” Dashboard indicators or student groups with the lowest performance level (any color) compared to the overall rate.

All students scored 72.8 points below standard which was an increase of 11.1 points.

The lowest performing group was English Language Learners (135.2 points below standard, which was a decline of 4.8 points).

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

Students in the lowest performing student groups faced many challenges including:

Chronic absenteeism - Students are missing large amounts of instruction due to home and transportation instability.

Parent Involvement - Parents reported they feel disconnected from curriculum and are unable to help with ELA support at home.

Increased English Language Learner Population - Increased number of students who are new to the USA and who do not speak English. Lack of home language support for students to access curriculum.

Missing foundational phonics skills and access to intervention services to address learning gaps

Teachers not having professional development on science of reading

Integrated ELD instruction - Increased EL population has lead to higher class size numbers for EL support without instructional support in the classroom.

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

Bilingual Instructional Assistants to support EL students in home language
Take home supplies for families to support instruction
Funds for Professional Development for teachers on science of reading
UFLI Phonics Literacy to supplement ELA curriculum for all grade levels
Supplemental materials in the classroom for ELA instruction
Intervention teachers to address ELA, specifically English learners.
Provide, implement, update and infuse the use of technologies as a tool for learning

School and Student Performance Data

Academic Performance Mathematics

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2024 Fall Dashboard Mathematics Performance for All Students/Student Group | | |
|--|---|---|
| <div>All Students</div> <div> Yellow</div> <div>65.8 points below standard</div> <div>Increased 18.8 points</div> <div>164 Students</div> | <div>English Learners</div> <div> Yellow</div> <div>68.3 points below standard</div> <div>Increased 10.8 points</div> <div>64 Students</div> | <div>Long-Term English Learners</div> <div> No Performance Color</div> <div>0 Students</div> |
| <div>Foster Youth</div> <div> No Performance Color</div> <div>0 Students</div> | <div>Homeless</div> <div> No Performance Color</div> <div>Less than 11 Students</div> <div>6 Students</div> | <div>Socioeconomically Disadvantaged</div> <div> Yellow</div> <div>66.2 points below standard</div> <div>Increased 22.0 points</div> <div>140 Students</div> |

| | | |
|---|---|--|
| Students with Disabilities  Orange 137.8 points below standard Increased 42.2 points 51 Students | African American  No Performance Color 102.5 points below standard Declined 3.1 points 20 Students | American Indian  No Performance Color Less than 11 Students 1 Student |
| Asian  No Performance Color 83.3 points below standard Increased 37.3 points 24 Students | Filipino  No Performance Color Less than 11 Students 1 Student | Hispanic  Yellow 63.7 points below standard Increased 23.5 points 38 Students |
| Two or More Races  No Performance Color 112.9 points below standard Declined 26.1 points 14 Students | Pacific Islander  No Performance Color 0 Students | White  Yellow 51.4 points below standard Increased 26.8 points 69 Students |

Lowest Performing Student Groups:

Which student groups are scoring at the lowest performing level on the dashboard indicator?

This includes student groups with “Red” Dashboard indicators or student groups with the lowest performance level (any color) compared to the overall rate.

All students scored 65.8 points below standard which was an increase of 18.8 points.

Our lowest performing group was Students with Disabilities (137.8 points below standard, increase 42.2 points).

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

Students saw increases across the board in math scores which could be attributed to:

New Supplemental Math Curriculum and Materials: Address learning gaps with additional curriculum and intervention, new instructional materials.

Math Professional Development: Focus on number sense professional development in K-5 classrooms.

Students in the lowest performing student groups faced many challenges including:

Chronic absenteeism - Students are missing large amounts of instruction due to home and transportation instability.

Non-Stability Rate - Students moving to and from our school throughout the year due to transiency and lack of space in school enrollment. Students lack continuity of education between school sites and student's academic preparedness.

Increased English Language Learner Population - Increased number of students who are new to the USA and do not speak English. Lack of home language support in all languages.

Need for additional teacher training on supplemental math curriculum and programs.

Missing foundational math skills and access to intervention services to address learning gaps.

Lack of dedicated planning time to analyze student data and lesson design.

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

Bilingual Instructional Assistants for EL students in home language
Provide, implement, update and infuse the use of technologies as a tool for learning
Take home supplies for families to support instruction
Professional Development for teachers on math instruction
Supplemental materials in the classroom for math instruction
Intervention teachers to address math, specifically students with disabilities

School and Student Performance Data

Academic Performance English Learner Progress

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words “No Performance Color.”

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

| 2024 Fall Dashboard English Learner Progress Indicator | |
|---|---|
| English Learner Progress | Long-Term English Learner Progress |
|  Blue |  No Performance Color |
| 59.7% making progress. | making progress. |
| Number Students: 77 Students | Number Students: 0 Students |

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

| 2024 Fall Dashboard Student English Language Acquisition Results | | | |
|--|--|-------------------------|------------------------------------|
| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
| 9.1% | 29.9% | 0% | 59.7% |

Lowest Performing Group:

Looking at your ELPI groups, where did you see the greatest growth and what data point is an area for improvement?

The greatest growth was our 46 students who progressed at least one ELPI Level this year. The group with the most room for improvement is the 7 students who decreased one level. We also had 24 students who maintained their current ELPI Level.

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

Introduction of BIA support for students to receive home language support to address academic needs
Introduction of EL Achieve program in ELD classes to provide structured curriculum support
Still a need for more additional BIA support as more newcomers coming each year with little or no English acquisition
Chronic Absenteeism is causing English language learners to miss significant academic instruction and limiting ELPI growth

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

Provide ELD Achieve training to rest of staff to implement in integrated ELD

BIA academic support for home languages

Parent information meetings and take home materials to support EL students.

Chronic Absenteeism Outreach to reduce the amount of missed days of school and increase daily attendance

Lowest Performing Student Groups:

Which student groups are scoring at the lowest performing level on the dashboard indicator?

This includes student groups with “Red” Dashboard indicators or student groups with the lowest performance level (any color) compared to the overall rate.

All students were chronically absent 29.1% Chronically Absent, which was a significant decrease of 10.5%. Our lowest performing groups were Hispanic (35.7% chronically absent, increase 1.1%) and Asian (20.5%, increased 0.8%)

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

Families with housing instability and transportation issues
Student medical needs and illnesses
Lack of home to school connection
Lack of school supports to address family needs
Access to parent support and education
Lack of student incentives to promote attendance
Lack of native language communication with families

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

Increased staff hours to monitor chronic absenteeism and build connections with families
Increase sense of belonging on campus
Provide enrichment programs to motivate students to attend regularly

Provide engaging attendance incentives for students and families.
Welcoming kits to increase student and family connectedness and belonging on campus

| Two or More Races  Green 3% suspended at least one day Declined 5.3% 33 Students | Pacific Islander  No Performance Color Fewer than 11 students - data not displayed for privacy 3 Students | White  Green 1.1% suspended at least one day Declined 2.6% 182 Students |

Lowest Performing Student Groups:

Which student groups are scoring at the lowest performing level on the dashboard indicator?

This includes student groups with “Red” Dashboard indicators or student groups with the lowest performance level (any color) compared to the overall rate.

All students were suspended 1.8% at least one day last year, which was a decline of 2.2%. The lowest performing groups were African American (3.8% suspended at least one day, declined 2.1%) and Hispanic (3.5% suspended at least one day, declined 1.3%).

Potential causes:

Reflecting on last year, what did we say, think, do, or feel that contributed to these results?

Increase in parent/school connection
Focus on SEL and positive behavior support through MTSS and school counseling
Access to parent support and education
Providing structured recess supervision and activities

What resources (i.e., personnel, programs, services, material, supplies) are needed to improve outcomes for your lowest performing student groups?

Structured Recess Activities to provide opportunities for students to engage in activities at recess and learn teamwork and conflict management strategies
Positive behavior incentives
SEL materials and resources for classroom and school-wide
Home language resources for students and families to provide positive behavior support at home

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Student Achievement and Implementation of State Standards

LEA/LCAP Goal

Improve achievement and outcomes for all students as measured by performance on statewide assessments, English proficiency, and college and career preparedness.

SPSA/Goal 1

Improve achievement and outcomes for all students as measured by performance on statewide assessments, English proficiency, and college and career preparedness.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

What data did you use to monitor progress and how often?

ELA and Math CAASPP State Testing - Annual
ELA and Math iReady Diagnostic Testing - Three assessment periods
ELPAC State Testing - Annual
Grade Level ELA and Math Unit Testing - Multiple assessments per year

What worked and didn't work? Why? (monitoring)

Intervention services for ELA and Math provided targeted skill development to work on foundational practices.

Limited Professional Development in ELA and Math was implemented by teachers but not enough teachers participated to make an impact school-wide.

New intervention materials provided differentiated instruction for students to work on fundamental skill practice.

UFLI supplemental curriculum has promise but no impact yet due to lack of training and implementation site-wide

Limited support of EL students in home language to access grade level curriculum.

Limited access to ELD curriculum to support the recent increase in EL population at site

What modification(s) did you make based on the data? (evaluation)

Providing whole staff training to incorporate math supplemental curriculum site-wide

Increase differentiation on Math and ELA intervention by implementing new diagnostic assessments

Introduce UFLI Phonics Literacy program to bring universal phonics lessons to all grade levels

Increase academic intervention support in home language for EL Students to access grade level curriculum

Provide an ELD curriculum and training for staff to implement

2025-26

Identified Need

The following needs were identified for the 2025-26 School Year:

Bilingual Instructional Assistants to support EL students in home language

Take home supplies for families to support ELA and Math instruction

Professional Development for teachers on science of reading, math instruction, and integrated ELD

Release time for teachers to analyze student data and create student centered lesson plans

UFLI Phonics Literacy to supplement ELA curriculum for all grade levels

Supplemental materials in the classroom for ELA and math instruction

Intervention teachers to address ELA, specifically English learners.

Intervention teachers to address math, specifically students with disabilities

Provide, implement, update and infuse the use of technologies as a tool for learning

Annual Measurable Outcomes

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Student Engagement and Course Access

LEA/LCAP Goal

Provide students with engaging programs, course work, and opportunities that address attendance, dropout, graduation, and access to a broad course of study.

SPSA/Goal 2

Provide students with engaging programs, course work, and opportunities that address attendance, dropout, graduation, and access to a broad course of study.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

What data did you use to monitor progress and how often?

Student Attendance and Chronic Absenteeism is monitored weekly by site attendance team and monthly with district attendance department
Student Engagement monitored by participation in field trips, assemblies, school clubs, before/after school activities, student listening sessions, and family events through trimester progress tracking.

What worked and didn't work? Why? (monitoring)

Funding additional time for attendance clerk and school community specialist to work on monitoring and communicating with chronically absent families increased overall communication with families and we showed a decrease in chronic absenteeism

Bilingual Instructional Assistants helped families connect with school community and address attendance concerns in a timely manner.

School counselor was able to teach tier 1 SEL lessons to all students and provide tier 2 intervention to increase school engagement and reduce chronic absenteeism.

Funding for school enrichment programs allowed students to engage in school beyond the school day and access a broad course of study.

Student leadership increased student engagement, advocacy and voice on campus. This lead to more student input on school decisions and higher participation

What modification(s) did you make based on the data? (evaluation).

Need to continue providing additional staffing to address chronic absenteeism families to provide resources and make community connections.

Provide incentives for students and families to increase daily attendance and decrease chronic absenteeism.

2025-26
Identified Need

Identified needs for the 2025-26 school year include:

Continue providing attendance monitoring to increase student attendance and decrease student chronic absenteeism.

Bilingual Instructional Assistants to help families connect with school community, increase parent awareness about attendance, and address attendance concerns

School counseling to provide SEL instruction to increase school engagement and reduce chronic absenteeism.

Annual Measurable Outcomes

| Metric/Indicator | Baseline 2024-25 | | Expected Outcome 2025-26 |
|--|---------------------------------|--------------------------|--------------------------|
| Chronic Absenteeism: Percentage of students who were absent 10 percent or more of the instructional days they were expected to attend in TK-8 | All Students | 29.1% Chronically Absent | -0.5% |
| | English Learners | 20.8% Chronically Absent | |

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

School Conditions, Climate, and Family Engagement

LEA/LCAP Goal

Address factors both inside and outside the classroom that impact student success such as family engagement, health, safety, discipline, connectedness, facilities, materials, and staffing.

SPSA/Goal 3

Address factors both inside and outside the classroom that impact student success such as family engagement, health, safety, discipline, connectedness, facilities, materials, and staffing.

Annual Review

SPSA Year Reviewed: 2024-25

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

What data did you use to monitor progress and how often?

Suspension Rate monitored bimonthly by student support team
Student and Family responses on annual family climate survey
Student and staff SAEBERS results for socio-emotional learning

What worked and didn't work? Why? (monitoring)

Structured recess activities to decrease suspensions occurring during non-structured activities
Family engagement events increased in attendance and participation with new academic focuses and family community resources
Additional school supervision decreased suspension for students engaging in physical altercations by providing more problem solving and conflict management opportunities

Full time counselor running tier one whole school SEL lessons, tier 2 small group skill development, and tier 3 individual skill support SEL materials to increase social-emotional intelligence and decrease behaviors leading to suspensions. Student engagement in school clubs, activities, family events have lead to increased participation by students and higher levels of school connectedness.

What modification(s) did you make based on the data? (evaluation)

Structured recess activities to increase student engagement and attendance, improve school suspension rate
Increase access and materials for SEL and student engagement materials so all students have access to participate.

2025-26

Identified Need

There is a need for family and student engagement events and opportunities to participate before, during, and after school. Structured recess activities to keep students engaged and increase problem solving and conflict management. Funding of school counselor and materials to implement SEL curriculum and positive behavior materials

Annual Measurable Outcomes

| Metric/Indicator | Baseline 2024-25 | | Expected Outcome 2025-26 |
|--|---------------------------------|---------------------------------|--------------------------|
| Suspension Rate: Percentage of students who were suspended for an aggregate total of one full day or more anytime during the school year in TK-12. | All Students | 1.8% suspended at least one day | -0.3% |

| 5000-5999: Services And Other Operating Expenditures | Title I Part A Site Allocation | 4,384.00 |

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 248,339.00 |
| Goal 2 | 18,155.00 |
| Goal 3 | 38,609.00 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

| Name of Members | Role |
|-----------------|----------------------------|
| DJ Latcham | Principal |
| Angela Nicholas | Classroom Teacher |
| Daniel Probasco | Classroom Teacher |
| Meagan Muir | Classroom Teacher |
| Stacy Boyd | Other School Staff |
| Matt Portratz | Parent or Community Member |
| Ahmad Gadae | Parent or Community Member |
| Janelle Bright | Parent or Community Member |
| Elizabeth Gilly | Parent or Community Member |
| Maria Lucero | Parent or Community Member |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

| Signature | Committee or Advisory Group Name |
|---|------------------------------------|
|  | English Learner Advisory Committee |

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on June 3, 2025.

Attested:
