
Compulsory Attendance Ages

Every child who has attained the age of six years on or before August 1 of each year and is under the age of 17 is required to attend public school, with such exceptions as provided by law. It is the responsibility of the parent(s)/guardian(s) to ensure attendance.

The courts may issue orders against the child, child's parent/guardian, or both, compelling the child to attend school, or the parent to take reasonable steps to assure the child's attendance. The order may require the parent, child, or both to follow an appropriate treatment plan that addresses problems affecting the child's school attendance and that ensures an opportunity for the child to obtain a quality education.

Adopted June 25, 2019, by the Board of Education for Mapleton Public Schools.
