

CHOIR

We are glad to inform you that the Elementary School Choir this school year will be open for students of grade 1-5. The goal of this activity is to develop the music potential of the child beyond the regular class and to prepare him/her for performance in front of an audience. We greatly appreciate your parental support for this extra-curricular activity.

By participating in this activity your child will:

- Learn the technique of choral singing;
- Develop their audio perception of their own voice, voices of others, blend their voice colors;
- Sing in groups a two or three part song;
- Appreciate different genres of music;
- Have greater academic success and more advanced social skills ;
