Elastic Clause

The principal reserves the right to take necessary steps or make necessary adjustments at any time to ensure the well-being of students and maintain school standards. All preceding procedures, rules, and regulations are subject to this clause.

ACADEMICS

COMPUTER LABORATORIES

The various computer laboratories located throughout the school building are major investments that require preventive maintenance. Students may not bring food, drink, or gum into these areas. A Technology Use Agreement must be signed by the student, a parent, or legal guardian before a student is allowed access to the computers at Salmen High School.

CHEATING

Cheating is defined as giving or receiving answers in any phase of a class assignment, tests, homework, projects, exams, etc. Any student caught cheating in any form will receive the grade of "zero" for the assignment. This rule applies to both the student seeking answers from another source and to the student who gives away answers. If a student is caught cheating in an honors course, the student may be removed from the honors program.

CONFERENCES

Since student information is kept electronically, parents are able to check grades on a daily basis through JPAMS. Passwords are mailed at the beginning of school each year. If a conference is needed with teachers, parents are encouraged to contact their child's school counselor. Conference requests by administration are considered **MANDATORY** and must be held with an administrator at the appointed time to avoid further actions. Parent conferences are held any time after 7:45 a.m. daily.

COUNSELING SERVICES

Salmen High School has counselors to assist students, families, and teachers in making the educational process as effective as possible. Students should reach out to counselors via email or at designated times. A list of the counselors and their assigned grade levels is above. Counseling services include academic and personal counseling, crisis intervention, referrals and coordination of services with agencies and professionals outside of the school setting, career explorations, scheduling, and post-graduate planning. Salmen High also has a certified Mental Health Provider on campus daily. A St. Tammany Parish Career Counselor is available as well for additional academic counseling.

DROPPING/ADDING COURSES

Students are asked for input on their schedules for the next year in the spring of the current year or upon registering at Salmen High. Students schedule at that time for the ENTIRE SCHOOL YEAR. Their selections are used to determine the Master Schedule and the number of classes for each course. Only those students with an emergency/necessary scheduling crisis will be allowed to change schedules in January. Please remember this when planning the yearly schedule.

GRADING SCALE

The state of Louisiana has adopted the following statewide uniform grading scale:

- A 100-90
- B 89-80
- C 79-70
- D 69-60
- F 59 or below

A grade of "I" (incomplete) is given when a student has not completed work for a nine-week session due to extenuating circumstances. "The number of days allotted for makeup work is equal to the total number of consecutive school days the student was absent. After the student receives the missed assignments, the student has the same number of days to complete the work as the same number of days missed. However, final grade/course credits can be withheld if the minimum seat time requirements have not been met." (page 15 of the 2025-2026 district handbook for students and parents) A minimum of 14 grades are required per nine-week grading period. Teachers are required to notify students and their parents of grading policies used in their classrooms.

GRADUATION REQUIREMENTS

The St. Tammany Parish School Board issues diplomas to students who successfully complete all Louisiana Department of Education requirements of the TOPS University or TOPS TECH (Jumpstart) diploma pathway. Further information can be accessed at <https://salmenhigh.stpsb.org> under the counseling section. Remember that the requirements for graduation and for TOPS are not the same. LEAP 2025 assessment requirements must also be met as a graduation requirement. Additionally, all fees and fines must be settled in order for students to participate in the graduation ceremony.

EXAMS

Semester exams are comprehensive and are twenty percent of the final grade in each course. All students are required to take an exam during the scheduled period. **NO EXAMS WILL BE ADMINISTERED EARLY FOR ANY REASON.** Pay absolute attention to the school calendar when scheduling winter holiday and summer trips. Students will only be allowed to make up exams for legitimate excuses that comply with the STPSB handbook for discipline and attendance. Students are not allowed to check out during the time of exam administration.

INTERIM REPORTS

All teachers are required to report grades to parents at the midpoint of each nine-week period. These interim or progress reports are sent home with students. The administration requires all teachers to inform the parents of **all students** of their progress or lack of progress at this time. Grades can be accessed at any time via the Student Progress Center (JPAMS) that can be found on the Salmen High website.

REPORT CARDS

Report cards are issued after the close of each nine-week period. Please see the Salmen High calendar for these dates. Parents needing a copy of a report card should call the main office.

PROMOTION

Students at Salmen High School must earn Carnegie units in order to advance to the next grade level. The requirements are listed above.

Grade Level	Required Units
Freshman	<5
Sophomore	5 units
Junior	11 units
Senior	17 units

STUDENT COURSE FEES

Student fees may be required for certain courses and activities.

STUDENT PROGRESS CENTER – CHECKING GRADES/ATTENDANCE

Grade, attendance, and discipline reports can be accessed at any time via the Student Progress Center (JPAMS) that can be found on the Salmen High website. Use the Student ID Number (SIDNO) and PIN number to access student information. This PIN number will be mailed to you at the beginning of each school year.

TEXTBOOKS

All textbooks issued to students are the property of the St. Tammany Parish School System. Students are expected to take good care of their books. If a book is not returned by a student when the session ends, when he/she withdraws from Salmen High, or when a book is lost or damaged beyond use; the student/parent must pay the replacement cost of the book. Students will be restricted from participation in extracurricular activities if outstanding materials are not returned.

TUTORING

Tutoring is available by individual teachers. Please speak to your teacher for tutoring information.

ATTENDANCE

See STPSB Attendance Policy update.

Truancy: A notification letter will be sent to the parents/guardian after three (3) days of unexcused absences. A copy of **Act 745** form will be sent to the Supervisor of Child Welfare and Attendance when unexcused absences accumulate to five (5). For extenuating circumstances – see the STPSB

Discipline Handbook. When absent, students are expected to keep up with their work by checking the teacher’s web page for assignments, homework, test dates and deadlines.

Students must be present for at least half of the school day in order to participate in school-sponsored extracurricular activities on that day. Salmen High discourages student checkouts past 2:00 p.m.

ACT 745 provides monetary fines, community service and imprisonment for parents and legal guardians whose children are habitually tardy and absent from school. These measures will be decided upon under the jurisdiction of the St. Tammany Parish School Board and enforced by the Offices of Child Welfare and Attendance.

ACT 688 authorizes, subject to the adoption of school board policies, the denial or suspension of driving privileges to a minor who fails to meet compulsory school attendance requirements and has withdrawn from school or is habitually absent or truant.

Any student, above the compulsory attendance age (17), who has excessive absences that are unexcused, may be dropped from the rolls for the remainder of the school term.

ATTENDANCE RECOVERY/SEAT TIME SESSIONS

All students must make up seat time for all unexcused absences over the 5-day limit per semester. Students who exceed the attendance regulation at the end of the semester and fail to recover seat time through attendance recovery sessions will be denied credit in the course. Students in danger of being denied credit due to excessive absences may be allowed to make up missed time in sessions held outside of the regular class time. These sessions are held after school and on certain Saturdays. Makeup sessions must be completed before the end of the current semester and all other policies must be met. Any student who does not complete his/her attendance recovery sessions will be denied credit. Attendance recovery sessions for this school year will be posted in Student Services.

ATTENDANCE: MAKE-UP POLICY

MAKE-UP WORK

Students are responsible for making up all work missed during an absence. According to St. Tammany Parish School Board policy, *the student has an equal number of days absent to make up the work missed.* For example, if a student misses two days, then the work needs to be made up within two school days upon returning to school. **Teachers are encouraged to use discretion in extending this deadline dependent upon extenuating circumstances but are to otherwise adhere to this makeup guideline consistently.** The student will be allowed to make up work with no loss of percentage points upon completion. For **unexcused absences**, students will be allowed to make up missed work. For **out of school suspensions**, students will be allowed to make up assignments without penalty as long as it is completed within the requirements of the district's make-up work policy.

ATTENDANCE: EXAM DAY/TESTING DAYS/PICNIC DAYS

Students are not allowed to check out on mid-term exam days, final exam days, or state testing days. In the event that a student must check out, a parent or guardian must come to the school to have the student released. Phone calls will not be accepted on these days.

ATTENDANCE: "M" DAYS/COLLEGE DAYS

Students participating in school-approved activities, which necessitate a student being away from school, shall be considered present and shall be given the opportunity for make-up work. The administration reserves the right to limit the number of "M" days assigned to a student. The make-up policy applies. Seniors will be given no more than two college days documented by an official letter from the college stating the student attended on a specific day. These visits must be pre-approved by the School Counselors.

CHECK-OUTS/MESSAGE DELIVERIES

When requesting to speak to a student or have a message delivered during the school day, please be mindful that the school campus is a learning environment. Be prepared to wait until the beginning or end of a class period so as not to disturb the learning environment.

Messages will not be given to students during the school day unless there is an emergency. Students are permitted to contact home in cases of illness or an emergency. The Student Service secretary will make parental contact. Students are NOT allowed to call home on any phones other than in the Office of Student Services.

Students should not go to the office to check out between classes. They should let their teacher know that they are sick and the teacher will notify the office. When the parent is reached, then the student will be called to the office to sign out. Students who leave without properly checking out are considered "skipping" and will be referred for disciplinary action. The administration reserves the right to require parent pick-up if the student's check-outs are

excessive. On an exam day or a day before a school holiday, a student can only be checked out if the parent comes to the school to get the child. Phone calls will not be accepted on these days.

During exams, classes will absolutely not be disrupted! Parents will need to wait until the exam period has ended. Students must be in the study period to take the exam during the regular exam time. Students are not allowed to check out on midterm, final, or state testing days. In the event that a student must check out, a parent or guardian must come to the school to have the student released. If the student misses an exam due to absence or check-out, the student must have a medical excuse in order to make the exam up on the makeup day. Only the principal can approve the scheduling of an exam at a time other than the regular exam time. Under no circumstances will exams be administered earlier than scheduled time.

TARDINESS TO SCHOOL/CLASS

All students are expected to arrive at school/class in a timely manner. If a student arrives after the tardy bell, then he/she must report to the Office of Student Services to check-in. The secretary in Student Services will issue a tardy slip to the student and record the check-in time in JPAMS.

TARDINESS TO SCHOOL will be dealt with in the following manner:

1. Students will receive a maximum of three non-penalty tardies to school each semester regardless of the reason.
2. On any subsequent tardies, the students will receive disciplinary action. A student shall be considered habitually tardy to school after the fifth occurrence within a semester. The administration will be within rights to report any student considered habitually tardy to the supervisor of Child Welfare and Attendance.
3. Tardies to school are excused only if the student checks-in with a doctor/dental note, a mandatory court appearance note, or a truancy hearing note, etc. For the tardy to be excused, documentation must be provided upon arrival at school. Extenuating circumstances will be determined by administration. Parent notes must be turned in within 48 hours.

HEALTH AND SAFETY

ACCIDENTS

All accidents while on campus or while participating in a school event must be reported immediately to the Office of Student Services and the appropriate form must be completed and submitted to the School Board Office.

CLOSING OF SCHOOLS

Occasionally, school may need to close due to an emergency. Notification of emergency closings is given as soon as possible to parents and caretakers. Notifications about closings and re-openings are made through recorded emergency phone calls, the School System website, stpsb.org, the School System mobile app, STPPS Facebook and Twitter accounts and the local media.

EMERGENCY FIRE DRILLS, LOCK DOWN DRILLS, ETC.

These are held at regular intervals to ensure that students know the proper procedures to follow in case of an emergency that requires evacuation from the building. These practices should be taken seriously. Disruptive behavior during any of these drills can lead to major disciplinary action. The drill procedures are posted in every room and teachers will review their expectations with each student.

ILLNESS AND MEDICINE

Students are not allowed to have medication in their possession while on the school campus. Any medicine that must be administered during school hours must be turned in to the Office of Student Services (**by the parent/guardian ONLY**) along with the name of the drug, the proper dosage, the physician's orders, and the time interval between doses. The container must be properly labeled with the student's name and the name of the physician or pharmacy.

NURSE

There is a registered nurse on campus daily. The school nurse will also administer vision and hearing tests at various times throughout the school year. Students must have state required shot records that are current and up-to-date, or they will be excluded from school until received.

LEAVING CAMPUS

Salmen High School operates as a closed campus. This means students may not leave the campus once arrived. This includes students who ride the bus or drive to school. Leaving the campus without checking out through the office of Student Services will result in disciplinary action. Students are not allowed to leave campus for lunch or to receive food (i.e. McDonald's, Sonic, Subway, etc.) from persons "visiting" the school campus or others. Students are to clear the campus immediately when the dismissal bell rings.

VISITOR'S POLICY

All visitors must sign in with the secretary in the Student Service's office to receive a Visitor's Pass. Visitors are not allowed in the classrooms. This includes former students.

POLICE PRESENCE

A full-time School Resource Officer is assigned to our campus. School authorities are frequently asked to cooperate with Officers of Law Enforcement Agencies, Social Services, OCS, Child Protection and other such agencies. It is our policy to fully cooperate in these instances, as well as in cases of child abuse, child neglect, and child welfare. Students caught with illegal substances do face consequences at the school level and may also become involved in the legal system.

SEXUAL HARASSMENT

The St. Tammany Parish School Board and Salmen High School policies prohibit sexual harassment in any form between any members of our student body or staff. Students wishing to report an incident should see an administrator who will start the investigation process. False reporting is also prohibited. All complaints are taken seriously. Complaints involving students are handled on site. Those involving an adult are referred to the Central Office.

CAMPUS LIFE

CLASSROOM BEHAVIOR

Students are held accountable for following all behavior policies and procedures as set forth by the St. Tammany Parish School Board and Salmen High. Students displaying disrespect for personnel or for policies and procedures will be referred to the Office of Student Services for appropriate disciplinary action. The action taken is influenced by the severity of the infraction, the student's current school year history, and St. Tammany Parish School Board Policy. Salmen High uses a Positive Behavior Support Program which provides opportunities and activities for recognition of students who demonstrate positive behaviors.

Teachers use a daily discipline ladder to track and monitor minor classroom behaviors and will inform parents when such behaviors are repetitive. The ladder sequence of progressive discipline is below:

SaHS Discipline Consequences (Daily):

1st offense: Verbal Warning

2nd offense: Teacher-Student conference and documentation in JPAMS **Parent contact log, not referral**

3rd offense: Parent contact/documentation in JPAMS **Parent contact log, not referral** /Refer to counselor

4th offense: Write a minor referral in JPAMS Document all contacts and interventions,

parent-teacher conference (administrator)

5th Offense: Major Referral sent to the Discipline office.

Group 2 or greater infractions should be written up as an official referral (major). Please refer to the District and School Handbook for more details on discipline levels.

STUDENT CONFLICT RESOLUTION PROCEDURES

Conflicts happen; however, we want every student to know that the faculty and administration are responsible for resolving these issues. If you find yourself in a conflict with any student, **DO NOT** respond or react. Campus disruptions of any kind will not be tolerated. No food or drink from restaurants or fast food establishments is to be brought on campus or delivered to students during school hours. **Parents are not allowed to drop off fast food.** Students are not allowed to bring food or drink into the classrooms, gym or library. Students who are in an unsupervised area will face discipline consequences.

PARENT INVOLVEMENT

Salmen High welcomes all parents who want to get involved. Joining the PTSA (Parent/Teacher/Student Association) is a great way to stay in touch with the school and your child's activities. Become a Parent Volunteer. We need help in the front office, as well as the library and concession stand at lunch. You can attend sporting events and extracurricular activities. Check the Salmen High web page <https://salmehigh.stpsb.org/> for upcoming school events. Request a conference with your child's teachers (via the Guidance Counselors) and contact the school if you have any questions or concerns.

PHONES/ELECTRONIC DEVICES

If a phone or any electronic device is seen or heard, it will be confiscated. Any student found using a cell phone, displaying a cell phone, or in possession of a ringing cell phone during the instructional day, will have the cell phone confiscated and have disciplinary consequences. The parent/guardian will be required to retrieve the cell phone from the school principal/designee. If a student refuses to give a staff member their cell phone they will be reported to the school administrator who will take the appropriate disciplinary action. When an electronic device is confiscated, it can be picked up by the parent or guardian during normal school hours in Student Services. **Revised state law states student's cell phones must be powered off and placed in bookbags the entire school day. Cell phones cannot be placed in clothing pockets or purses. Communication watches cannot be worn at any time.**

If a parent/guardian needs to communicate with a student, that person should call the school at (985) 643-7359 to leave a message for the student. Only emergency passes will be given to students between classes and during the lunch period.

Progressive interventions/consequences for cell phone use (upon confiscation) or related disruption consist of the following:

2. Saturday Detention
3. In School Suspension (1 day)
4. In-School Suspension (2 days) - (Contract No cell phone possession)

5. Out of school Suspension/Expulsion (Other intervention deemed appropriate by administration)

Refusal to relinquish the device to the teacher/admin./staff will result in a discipline referral “as disrespect” and the student may be SUSPENDED and a parent conference required before the student can return to class. IPADS or PERSONAL COMPUTERS ARE NOT ALLOWED ON CAMPUS.

Radios, Ipods, Ipads, Earbuds, Personal Laptops, Tablets, Cell Phones, apple watches or devices that communicate with phones, Cameras, Cd, Tape Players, Speakers, Etc. are considered electronic devices.

Personal entertainment devices highlighted above are not allowed on the school campus. If these items are brought to school, they will be confiscated by an administrator. Confiscated items will only be returned to a parent/guardian. Refusal to relinquish the device will result in Out of School Suspension.

CHROMEBOOKS

Chromebooks are issued to all students with no outstanding fines who turned in their Chromebook guidelines paperwork **with** signatures. It is the responsibility of the student to make the librarians or issuer aware of any issues with the Chromebook once received so that it can be replaced immediately. Once the Chromebook is issued, it becomes the responsibility of the student. Parents are **HIGHLY encouraged to purchase the \$25.00 Chromebook insurance**. The insurance covers any incident that may happen outside of malicious intent. It is important to also note that the insurance **DOES NOT** cover the Chromebook cover or the Chromebook charger. Any student owing a Chromebook fine from another school or from the previous school year must clear the fines on My Payments Plus before a Chromebook can be issued. Any senior student owing fines must clear all library fines before being cleared for graduation practice.

Seniors may have their senior portraits taken wherever they choose, however, only the pictures taken at school will be included in the yearbook. Students must meet dress code requirements in order to take their pictures.

Please do not tape posters to windows, doors, or walls where they have the potential to create damage.

PUBLIC DISPLAY OF AFFECTION (PDA)

Any further contact on school grounds will result in a hierarchy of consequences, including an initial warning, parent phone calls, after-school detention, Saturday detention and, ISS, OSS.

SENIOR ACTIVITIES

The senior year is full of many memorable activities, all culminating with graduation. **Seniors must clear any outstanding debts or fees prior to graduation.** The graduation speeches are given by top ranking students. All members of the honor graduate group who have an average of 3.5 or better will be recognized in the graduation ceremonies. Please pay close attention to deadlines for payments for prom, senior dues, senior luncheon, and Disney World/Universal Studios Senior Trip. Ms. Liza Jacobs, Principal, is in charge of overseeing these activities. Dress codes and drug and alcohol abuse policies will be strictly enforced during all senior activities.

If these measures are not followed, the student will remain in ISS for the remainder of the school day.

BOOKBAGS/PERSONAL BELONGINGS

The school takes NO responsibility for book bags or their contents. Bags should never be left unattended. During PE, it is the responsibility of the student to secure his/her belongings with their own lock in an assigned locker.

DISCIPLINE POLICY (REFER TO DISTRICT HANDBOOK)

All means of dealing with discipline are aimed toward making the student understand his/her inappropriate behavior so that it will be corrected. Less serious offenses are dealt with by issuing detentions. Other more serious offenses will be handled by the following interventions:

S.H.I.E.L.D. (Spartans Have Incredible Expectations for Learning Daily)

Academic Lunch Detention will be assigned by teachers to any students who choose not to engage in classwork. It is the expectation of the entire Salmen High School staff that students engage in all classroom activities. Lunch will be provided at a centralized location to be explained by administration. Students should report to the location 5 minutes prior to transition time. The student will remain in detention the entire lunch period.

Daily Detention

Students will be issued a detention scheduled Monday-Friday from 2:45-3:10. Students must arrive on time to the location announced. (Library or Cafe) Failure to serve will result in an automatic Saturday detention. Students must bring work, study material etc... No sleeping or head down. No cell phones or electronic devices can be used during detention. No Exceptions! **A valid doctor's excuse or extenuating circumstances may be taken into consideration for makeup dates.**

Dresscode Detention

Students will be issued detentions for failure to follow dress-code and uniform proper attire wear. It is held once a week. Assistant principal Mr. Rayford will review proper dress wear and any other needed information to correct the behavior.

Saturday Detention

Students must be at Salmen at 8 am. Later arrivals will have no way to enter the school. Students must be in full uniform and bring their Chrome books if available. No sleeping or head down. No cell phones or electronic devices. Failure to serve will result in ISS on the

next school day. If a student does not attend Saturday detention, the student must show up with a parent or legal guardian to sign them into in-school suspension on the next school day. No Exceptions!

If the student is absent or tardy to detention on the assigned day, then a medical doctor's excuse, funeral document, or other strong extenuating circumstance should accompany the student (in writing) to his/her next school appearance. All school rules and regulations will be in effect during Saturday Detention.

In-School Suspension

Student reports to school but reports to the in-school suspension room for the day and is given class assignments to complete. The number of days a student is assigned can vary depending on the severity of the , as well as the number of times a student has been referred to the office. The ISS supervisor will enforce rules of behavior. If a student causes problems in ISS, the student will be issued an additional day of in-school suspension or possibly out of school suspension. Students must come to school with a parent or legal guardian to be signed into ISS. No Exceptions!

Out-of-School Suspension

Students are not allowed to attend school or any school activities for this period, from one to five school days. The student should keep up with their school work while suspended. The student will be allowed to make up work per teacher and district policy. Students must return to school with a parent to conference with the administration. If a parent conference meeting did occur on the day the suspension was issued, the student may return to school on the return date. If the parent conference did not happen, the student should be brought to school with a parent or legal guardian to meet.

First Suspension - student may return to school after suspension has been served with parents for a conference.

Second Suspension - students must get a letter from the Supervisor of Child Welfare and Attendance at the School Board Annex in Slidell before being allowed to return to school. The number for the Slidell Annex is 985-646-4917.

Third Suspension - student and parent must attend a meeting at the Brook's Curriculum Center with a Designee from the Superintendent's office and Salmen's Administration. A recommendation for Expulsion will be held. The number for Mr. Wills office at the Brooks Center is 985-898-3296.

Disciplinary consequences are arranged in a hierarchy. (See below) Classroom teachers will develop their classroom policies and may choose to allow input from students. Classroom teachers have a number of consequences at their disposal. Some teachers will issue **lunch detentions** for a variety of reasons. Lunch detentions are held with that teacher and, in that instance, a student must have a pass from the teacher to enter the classroom building during the lunch period. If a lunch detention is missed, the teacher will issue an after school

detention. Teachers may also issue their own personal **after-school detentions** for a variety of reasons (class tardy; dress code; classroom behavior; missed lunch detention; etc.) Administrators uphold the issuance of detentions by teachers. Administrators will only remove a discipline detention from a teacher's discretion in a rare circumstance and following an investigation.

(Subject to Change based on severity and student history)
