COURSE DESCRIPTION

In this course, students will explore the world of news, media, and storytelling. They'll learn how to research, write, edit, and produce content like articles, interviews, and multimedia projects. Students will practice communication, creativity, and critical thinking while working on media projects such as news articles, video segments, or social media creation.

COURSE ACTIVITIES (What we will be doing)

Below you will find descriptions of the most common activities that students will participate in during the course of each semester.

Throughout the year, students will:

- Create stories
- Write news articles
- Conduct interviews

GRADES - Click here for → [YWLA Grading Policy](#)
