Welcome Back! Joyful Return to School After Summer Break

After a short but refreshing summer break from July 18th to August 2nd, 2025, the halls of Eglal's ABC Charity School are once again filled with laughter, chatter, and the joyful energy of our beloved students.

As the school reopened, the excitement on the children's faces was truly heartwarming. Their bright smiles and warm hugs showed just how much they missed their friends, teachers, and daily school routine. The school grounds came alive with cheerful reunions, playful moments, and the eagerness to jump back into learning and growing together.

The summer break also followed the conclusion of the half-yearly exams, giving our students a well-deserved pause to relax and recharge. Now, they return not only refreshed but also full of curiosity and motivation to take on the next part of the academic year.

We are thrilled to have our students back and to continue our mission of nurturing young minds in a joyful, supportive, and caring environment. Welcome back, dear students — we missed you!

Celebrating 100% Success: ABC School Shines in the 2025 SSC Results

We are thrilled to share the joyous news that all of our students who appeared for the Secondary School Certificate (SSC) examination this year have passed with flying colors! The results, officially published on July 10, 2025, brought smiles and pride to the entire ABC School community.

Our students have once again proven their dedication and determination. 100% of our SSC candidates passed, with 33% securing an impressive Grade A and the remaining 67% earning a strong A-. These outstanding achievements are a reflection of their hard work, the tireless efforts of our teachers, and the continued support from our sponsors and well-wishers.

In a heartwarming gesture, all our SSC candidates returned to school to meet their teachers, juniors, and mentors. We celebrated this success together with sweets, snacks, and stories of inspiration, filling the school with laughter, pride, and a renewed sense of purpose.

We are incredibly proud of our students, who continue to overcome challenges and strive for excellence.

A special thank you goes out to all our sponsors and supporters. Your belief in our mission empowers us to nurture young minds and build a brighter future—one child at a time.

A Special Visit from Ms. Naghme Shakiba: Inspiring Growth in Our Classrooms

On July 20, 2025, Eglal's ABC Charity School had the pleasure of welcoming Ms. Naghme Shakiba. Her visit brought not only valuable insight but also meaningful support to our school community.

Ms. Shakiba generously led a training session with our teachers, focusing on the importance of creating a positive and engaging classroom environment. She emphasized the vital role that effective communication between students and teachers plays in nurturing a safe and productive space for learning. Her session was both enlightening and encouraging, leaving our teachers equipped with practical tools and renewed motivation.

In addition to sharing her expertise, Ms. Shakiba also made a thoughtful donation of notepads and exercise books for our students. Her generosity directly supports our mission to provide every child with the resources they need to succeed.

We are truly grateful for Ms. Shakiba's time, energy, and kindness. Her visit was a memorable reminder of the power of community and the shared commitment to quality education for all.

Thank you, Ms. Shakiba, for making a lasting difference at ABC!

ABC Diaries

Arian's Journey: A Story of Hope Beyond Struggles

Arian is only 6 years old. A cheerful smile often lights up his face in the classroom of Grade 1 at Eglal's ABC Charity School. But behind that smile lies a story of hardship and quiet bravery.

Arian joined ABC school last year in the KG class. Before that, he had never stepped into a classroom. His days were spent in a tiny, dimly lit room under a broken tin roof on the edge of a railway slum. His father, once a rickshaw puller, lost the ability to work after a serious accident. Since then, Arian's mother, Fatema, has struggled to feed her family of four by working as a part-time cleaner in several houses.

There were days when Arian went to sleep without dinner. There were nights when rainwater would pour through the holes in their roof, and he would have to

stay awake, trying to keep his books and clothes dry. When asked what scared him the most, he once quietly said, "The nights when I hear my little sister cry of hunger, and Mother can't do anything."

Arian used to help his mother by collecting discarded plastic bottles from the streets early in the morning. He carried a sack nearly his own size, and it often took him hours to fill it. Yet, even then, he never complained. He just wanted to help his mother "buy rice," as he put it.

It was during one of these mornings that a volunteer from Eglal's ABC met Arian. He was barefoot, hungry, and tired—but he smiled. That one smile changed everything. Soon, with the support of ABC's sponsorship program, Arian was admitted to the KG class. For the first time in his life, he held a pencil instead of a plastic sack.

Now, Arian is in Grade 1. He comes to school every day with a spark in his eyes and big dreams in his heart. He loves to read, draw, and says he wants to be "a doctor, so no one in his family ever has to cry again." His mother says Arian's school is their light in the darkest times.

Arian often says, "ABC school is my new family. They gave me books, food, and dreams."

At Eglal's ABC, we believe that no child should be left behind—especially not one as brave and hopeful as Arian. We are proud to walk beside him—then, now, and forever.

Join Us in Supporting ABC School

Dear ABC Community members,

Your generosity has been a cornerstone in our mission to provide quality education to underprivileged children, empowering them to build brighter futures.

As we continue our work, we invite you to be part of our efforts once again. Our monthly rent is BDT 86,000 (USD 711), and contributions of any size help us keep our space running smoothly. There are also other ways to support ABC School—you can sponsor a child, contribute to our medical or food fund, or support an individual student.

If you'd like to contribute, please reach out to us at abcschooldhaka@gmail.com. Kindly mention if your donation is for house rent or another area of support.

Every contribution strengthens our mission and helps us continue making a difference. Thank you for being a valued part of our community.

Contributions

Our special thanks to:

- H&M Group for the donation of toys for ABC kids.
- Aayush Ojha, Avyukt Ojha & Asmara International Limited for the sponsorship.
- Mr. Mostafa Kamal & his daughter Tasneem Mostafa (Meghna Group of Industries) for sponsoring cooking oil and milk for the school every month.

Our heartiest gratitude to all individual sponsors for supporting our children in their education. It is your continued support that has made possible the realization of the dreams of over hundred children.

Join Us and make a difference!

You may contribute any financial assistance to the Eglal's ABC charity School. We urge you to kindly consider our "Sponsor a Child" Program by donating US \$250 per year that provides a child, a full year education, uniforms, 5 meals a week and medical facilities.
