Dear Families,

My name is Dayana Montgomery and I am honored to serve as your Math Department Chair this year at Boys' Latin of Philadelphia Middle School. My team and I are beyond excited to support you and our Warriors as they conquer Math this year! We believe that every student is both a 'thinker' and 'doer' of Math, and it is our hope that every student walks into our classrooms knowing that they belong and walks out believing that they can. As we kickstart this school year, I wanted to provide you with the Math Supply List.

Required Supplies for Math Classes:

Personal Calculator – Texas Instruments TI-30XIIS

Please note that it must be this exact brand and type of calculator as it is acceptable for State Testing next Spring. This calculator can be found on Amazon for \$10.

It will be labeled with your child's name and it is their responsibility to bring it to school each day.

- (3) Composition Books
- (2) Folders
- (1) Box of Tissues
- (1) Hand Sanitizer (for class use)
- (1) Sanitizing Wipes
- (1) Box of Pencils
- (1) Handheld Personal Pencil Sharpener
- (1) Personal Pencil Case
- (1) Pair of Child-Safe Scissors
- (2) Glue Sticks
- (1) Roll of Paper Towels

The supplies above will ensure that your student has what they need to be successful academically, and that our classrooms remain both safe and healthy for us all, especially as the cooler months approach. This year, we will be utilizing interactive notebooks which will not only house their notes but will also serve as a resource for students as they complete their homework. I am asking that students have these supplies by Monday, August 25th, 2025 but the sooner, the better as we will be starting our math content next week.

Thank you for your support and I look forward to our continued partnership this year. I truly believe that we will see tremendous growth and success from our students. If you have any questions or concerns, please feel free to contact me at dmontgomery@boyslatin.org!

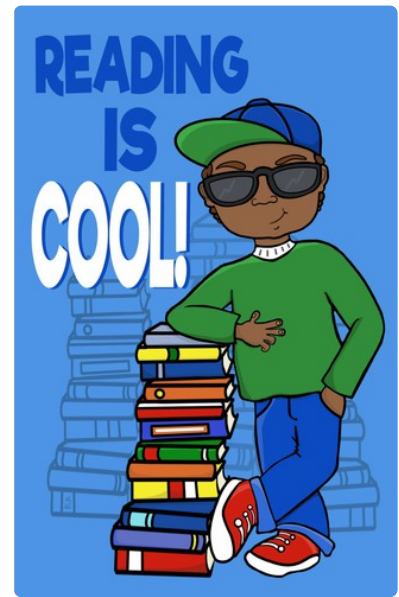

Kind Regards,
Dayana Montgomery
