

◆ Lake Shore Middle School ◆
2025-2026 Parent and Family Engagement Plan Summary

Parent and Family Engagement Mission Statement

The mission of the Lake Shore Middle School Parent and Family Engagement program is to foster an equal partnership between the school and families to increase student outcomes.

Annual Title I Meeting

Each year, families are invited to attend this meeting at the beginning of the school year to learn more about our school wide Title I Program and the requirements of Title I.

Parent and Family Engagement Trainings

- **Roadrunner Family Night - Beginning of Year:** As a result of this training, families will be able to better support their children's learning by understanding the demands of grade level standards in content area courses for the first semester.
- **Roadrunner Family Night - Middle of Year:** As a result of this training, families will be able to better support their children's learning by understanding the demands of grade level standards in content area courses for the second semester.
- **Roadrunner Family Night - End of Year:** As a result of this training, families will be able to better support their children's learning by understanding the demands of grade level standards and FAST/EOC testing in content area courses.

Coordination and Integration

- **Migrant Education Program:** Migrant Education provides extended learning opportunities in all core subject areas for our migrant students as well as school supplies
- **Drug Abuse Treatment Association:** A counselor from this agency works closely with students and focuses on reducing risk factors generally associated with the progression of substance abuse use and mental health problems. The counselor also does home visits and participates in SBT and Wellness meetings.
- **Communities in Schools of Palm Beach County:** A counselor from the agency monitors student achievement and strengthens student problem solving skills. Duties include individual and group counseling, home visits, assistance for parents and getting involved in their child's education. The counselor also attends SBT and Wellness meetings.

Shared Decision-Making

Families will be invited to SAC, Town Hall, Family Nights, and other meetings throughout the year to receive academic information, reports, and provide input on ways the school, families, and students can share responsibility for student success.

Key Points of Communication

- Parents will be notified of our Title I programs via the Parent Link, SIS Gateway, marquee, Minga, and personal invitations/flyers.
- Parents will be notified about Florida Standards, standardized and District assessments, and achievement levels via the Parent Link, SIS Gateway, marquee, Minga, and personal invitations/flyers, parent conferences, progress reports, report cards, curriculum night.
- Parents will be invited to attend meetings and participate in evaluating and revising the school's current Parent and Family Engagement Plan and Compact.
- The members of the School Advisory Council will approve and revise the School Improvement Plan. Communication will occur via Parent Link, SIS Gateway, marquee, Minga, and flyers.

Accessibility for all Families

We encourage all families to attend meetings and events. School staff will provide the appropriate accommodations for families in need. All communications will be sent home in English, Spanish and Creole. Parents who are hearing impaired will be provided assistance upon their request. Parents who are engaged in migratory work will be referred to the Migrant Education Program. Parents and families experiencing homelessness will be referred to the McKinney-Vento program.
