

5th Grade Science 2025-26

~Our Year at a Glance~

AUGUST

Science Safety
Science Tools
Making Observations
Simple Investigations

SEPTEMBER

Physical Properties of Matter
Changing States of Matter
Mixtures and Solutions

OCTOBER

Types of Energy
Electrical Circuits
Reflection & Refraction

NOVEMBER

Force and Motion
Balloon Racer Project
Rocks

DECEMBER

Earth's Structure
Landforms
Weathering and Erosion
Fossil Formation

JANUARY

Soil
Natural Resources
Water Cycle
Weather and Climate

FEBRUARY

Sun, Earth, Moon
Rotation and Orbit
Solar System
Ecosystems

MARCH

Food Webs
Ecosystem Project
Structures and Functions
Inherited Traits
Learned Behaviors
Life Cycles

APRIL

STAAR Review
Science STAAR

MAY

Animal Project
Body Systems
