Dear Sycamore Parent,

At Sycamore Elementary, we are committed to helping your child be successful. Sycamore is fortunate to have a federally funded program called Title I. Title I provides us with financial support for instructional materials and personnel. The materials and personnel provide ***all students*** in grades K-5 with the needed support for high achievement in all academic areas.

All students at Sycamore are receiving the enclosed *Compact for Academic Success*. The *Compact* outlines how teachers, students, and their families work together to promote student success. While the compact appears to be very formal, it is simply our promise to work hard at school every day. *This compact does not necessarily indicate that your child is receiving additional support at this time.* After you and your child have read the Title 1 Compact, please complete the Microsoft Form by scanning the QR code below. If you have any questions, please contact Sarah Scott, Title I Teacher at SCScott@avon-schools.org

Title 1 QR Code for Compact for Academic Success

Sincerely,
Sarah Scott
