Dina Durnin, Counselor (Pas-Sn)  
Christy Dunham, Counselor (So-Z)  
Juli Welker, A+ Program and Testing Coordinator

### COLLEGE AND CAREER

Layla Torgoley (A-K)  
Paula Ake (L-Z)

### **ACADEMIC PROGRAM**

**Class Schedule:** Marquette students attend courses on a hybrid block schedule where they are enrolled in 7 classes.  $\frac{1}{2}$  credit is earned per semester for each class. Academic Lab is conducted during the school day, typically twice a week, and students have the opportunity to access tutoring, touch base with teachers, make up missed work or assessments, attend club meetings, and/or choose from a variety of offered activities, including college rep visits. The Academic Lab is designed for students to have a choice in how to best achieve academic success and enrichment.

**Advanced Placement:** Marquette offers multiple courses through the College Board Advanced Placement program. There is no restriction on the number of AP courses students can take; however, there are prerequisites for many that must be met before enrolling.

**Dual Enrollment:** Eligible and approved students may take college-level courses through local community colleges and universities during the regular school day. **College Credit/Dual Credit:** Some courses are offered with the option for students to register to receive credit from a university with which the Rockwood School District has an articulation agreement.

**Alternative Credit Opportunities:** Rockwood students can also elect to apply for alternative credit opportunities such as **ECP** (Early College Program), **South Technical School** ( $\frac{1}{2}$  day programming), **Spark!** (immersion-based, community partnership), **Summer Internship** (an unpaid summer internship offered for credit to qualified students the summer leading up to senior year).

**Grade Point Average Calculation (GPA):** GPA is based on grades earned in grades 9-12. **We do not report class rank.** All courses for which a student receives a grade are included. GPA is based on a 4.0 scale with an "A" worth 4 points. For weighted grade classes, an "A" is worth 5 points. Weighted grades are offered in various Honors, some Engineering, and all AP classes. **Honors Courses:** Some courses are distinguished as Honors due to the nature of instruction, but grades in Honors courses are not necessarily weighted.

### GRADUATION REQUIREMENTS

Per requirements established by the State of Missouri, the Board of Education and the Rockwood School District:

Language Arts	4 credits
Mathematics	3 credits
Social Studies	3 credits
Science	3 credits
Fine Art	1 credit
Career & Technical Education	1 credit
Physical Education	1 credit
Health Education	$\frac{1}{2}$ credit

Marquette High School, located in suburban St. Louis County, Missouri, is part of the Rockwood School District. Rockwood is St. Louis County's largest public school system, serving more than 22,000 students districtwide. Other high schools in the district are Lafayette, Eureka, and Rockwood Summit, and all high schools in the district are A+ Certified. The Rockwood School District also enrolls students from St. Louis City through the Department of Educational Equity and Diversity Program. Rockwood, which is considered the premier school district in St. Louis County, has high student achievement, outstanding teachers and staff, and great community support. Our mission of doing whatever it takes to ensure all students realize their full potential is at the center of our work. **ACCREDITATION:** Rockwood is recognized for Distinction in Performance by the Missouri Department of Elementary and Secondary Education.
