Parents registered with our Blackboard Mass Notification System will be notified of school closings, due to inclement weather or other emergency situations, via phone call and/or email. Parents are asked at the beginning of each school year to complete emergency information for each child currently attending school in our District. It is important that this information, which includes phone numbers and email addresses, is kept current as Blackboard Mass Notifications is the District's primary tool for parent communication. You can update your information at any time by contacting the secretary at your child's school.

Weather Make-Up Days
There are three adverse weather days built into the calendar. The fourth will be made up on March 30, the fifth on March 31 and, if additional emergency days are needed, April 1 will become a school day.

FROM THE DESK OF
THE SUPERINTENDENT

Dear CCSD Community,

The start of a new school year is always a special time – full of energy, promise and growth. Whether you are returning or joining the District for the first time, I share in your excitement for what lies ahead. Each year offers a chance to refocus our efforts and renew our commitment to student success.

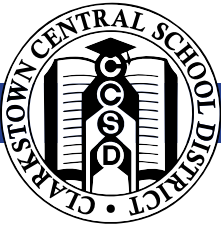

At the heart of our work is the Portrait of a Clarkstown Learner, which defines the qualities we strive to nurture in every child. We aim to empower learners who are motivated, innovative, resilient and empathetic – individuals who can think critically, adapt to challenges and make meaningful contributions in their communities and beyond. These guiding principles shape not only what we teach, but how we support and inspire our students each day.

I encourage you to stay engaged by visiting ccsd.edu and following us on our official social media channels, where we regularly highlight the achievements and activities taking place across our schools. Be sure to review the calendar and take advantage of the many events and opportunities for families to connect and participate throughout the year.

Thank you for being a vital part of the Clarkstown Central School District. We look forward to welcoming you back on Tuesday, September 2!

Sincerely,

Marc P. Baiocco, Ed.D.
Superintendent of Schools
Clarkstown Central School District

OUR MISSION

CCSD, in partnership with the community, will meet the individual academic and social-emotional needs of all students within a safe environment, while empowering them to reach their full potential in a complex society.

The Community Learning Center offers programming for all members of the community, all year long.

Adult Education courses are offered in a variety of subjects such as art, exercise, photography, dog training, gardening, self-improvement and music. Classes are held mornings, afternoons, evenings and weekends. Those over the age of 60 are given a 20% discount on most classes.

The Early Riser Program is offered at all nine elementary schools for children that need to be dropped off early to school.

FestaVille, an after-school program offered through the Community Learning Center, is available to elementary and middle school children until 6pm. The program is held at Felix Festa Middle School in West Nyack and the Clarkstown Learning Center in Congers. Pre-registration is required for both the Early Riser and FestaVille programs. The Community Learning Center also offers children's programs and summer camps that are open to all children.

SAT/ACT Preparation classes are offered throughout the year and are available to all high school students.

Look for our brochures in your mailbox in August, December, February and June or on our website at ccsd.edu/clc, where you can also check out our digital flyers regularly for new programs.

Flyers

All current, approved flyers can be found on our website at ccsd.edu/flyers. School-related groups and non-profit organizations may submit event flyers for consideration and inclusion on our webpage by using the online form at ccsd.edu/parents.

Gold Card

CCSD residents who are at least 60 years of age are entitled to a Gold Card, providing free admission to most school events across the District including almost all of the swim programs sponsored by the school system. For information, call the Office of the Superintendent at 845.639.6418.

GRAD-Nite

GRAD-Nite is a late-night, alcohol, tobacco and drug-free chaperoned celebration open to all graduating seniors on the night of graduation. Understanding that graduates often "party hop" in an effort to celebrate with as many classmates as possible, GRAD-Nite was created to provide a safe alternative, while allowing the students a final opportunity to be together as a class. Most importantly, GRAD-Nite keeps ALL of the participating graduates off the roads, preventing them from becoming an accident statistic and allowing their parents to rest easy knowing their children are celebrating safely.

GRAD-Nite is a parent-sponsored event, coordinated by an independent group of volunteers and supported by the Clarkstown Central School District, the North and South PTSAs, the parents of the graduates along with community members and local businesses.

Transportation

CCSD’s Transportation Department is responsible for safely transporting over 8,000 students daily to 65 different school locations. CCSD maintains its own fleet of 130 school vehicles. Pupil transportation is the safest form of ground transportation. Per passenger mile traveled, school buses provide the safest form of transportation in the world. Being a school bus driver is something to be proud of!

Parents can help by:

- Understanding that there is a dangerous area within 15 feet of all sides of the bus called the “danger zone.” Make sure everyone at the bus stop stays out of the danger zones around the bus.
- Having students wait until the bus comes to a complete stop and the driver opens the door before moving to board the bus.
- Crossing the street correctly. If your child needs to cross the road to get on or off the bus and you meet the bus, cross with your child. Everyone crossing in front of the bus must follow the driver’s hand signal.
- Avoiding dressing children in traditional yellow raincoats, which blend in with the color of the bus.
- Removing all long jacket and coat drawstrings.
- Being at the bus stop 10 minutes before ordinary pickup time.
- Insisting students keep all belongings in a book bag. Loose items dropped by children can cause them to reach into the danger zone.
- Having children follow the bus driver’s safety instructions at all times and reporting bullying to the bus driver, teacher or parent.

To obtain non-transportation days for students with special education placements, contact the Department of Special Education and Pupil Personnel Services at 845. 639.6482 or the Transportation Department at 845.639.6380.

NOTE TO PARENTS OF NON-PUBLIC SCHOOL STUDENTS

In order to reduce costs and realize fuel savings, transportation will not be available for non-public school students on days when Clarkstown schools are closed. Please check the District’s digital calendar for updated information at ccsd.edu.

Families are required to submit requests for busing to non-public schools annually, no later than April 1 of the preceding year or within 30 days of moving to the District. Online and hardcopy applications are available on the District website at ccsd.edu/transportation. Hardcopy applications and all required proofs should be mailed to:

OPERATION SAFE STOP

An estimated 50,000 motor vehicles illegally pass New York State school buses every day. Operation Safe Stop seeks to promote school bus safety through education and enforcement efforts. It is illegal to pass a stopped school bus when the red lights located at the top of the bus are flashing. Flashing red lights mean the bus is picking up or dropping off students. You must always stop for the flashing red lights, on divided or multiple lane roads and on school grounds, whether you are approaching the bus head-on or overtaking it.

Wellness—Our Commitment

The health and wellness of our students has always been a priority, and the District has policies and a working wall. Healthier food options and increased physical activity are the mainstays of the program. All are invited to join a building or District School Health Advisory Committee (SHAC) to be a part of our mission to maintain the path that leads to lifelong healthy behaviors.

Your Child’s Safety Is Our Concern

The Clarkstown Central School District works in close collaboration with health, safety and emergency personnel to maintain a safe and healthy environment for our students and staff. A comprehensive safety plan for each school and the District is in place to guide prevention, preparation and response to a range of emergency situations. Each also has an active school safety team. Students and staff participate in safety drills throughout the year including evacuation, lockdown and shelter in place.

See our Safe, Secure, Connected Brochure on pages 36 – 37 for easy reference.

Dear Parents,

The Clarkstown Central School District is focused on maintaining the safety and well-being of every student and staff member.

To this effort, District and school safety teams are in place. Staff members are well versed in emergency protocols and work collaboratively with community emergency personnel. In addition, we continually invest in our facilities and in safety equipment such as video surveillance cameras and emergency intercoms.

Your partnership in keeping our school environment safe is paramount. Please attend safety-related events offered by District staff and the Clarkstown Police Department, talk with your children about their personal safety and keep contact information up-to-date with your school.

If you have any questions, please contact your building principal.

Sincerely,
Clarkstown Central School District

Safe Secure Connected

A Parent's Guide to
Emergency Preparedness
in the Clarkstown Central
School District

Excellence in Education

Safety Is the Priority

The Clarkstown Central School District maintains and promotes a safe, secure learning environment.

Building and District Preparedness

- * Districtwide and building-level safety teams are in place to implement detailed emergency plans focusing on prevention, preparation and response.

Drills and Training for Students and Staff

- * A minimum of 12 drills and one early dismissal drill are conducted annually at each building.

Partnerships

- * The Clarkstown Police Department, local fire and emergency service units, and town and county officials partner in our school safety efforts.

Get To Know the Five Core Response Procedures

- * Talk to your child about the Emergency Response Procedures practiced with their teachers.

Shelter-In-Place

- * All shelter within an area of the building.
- * May need to relocate within the building.

Activation Examples:

Bomb threat, chemical spills, extreme weather

Hold-In-Place

Limits movement within the building.

Activation Examples:

Short-term emergencies (student altercation, medical emergency)

Evacuate

All immediately leave the building.

Activation Examples:

Fire, chemical release, extended power or heating system failure

Secure Lockout

- * All doors and windows are locked.
- * Outdoor activity ceases.

Activation Examples:

Incidents that pose an imminent concern outside the school building (animal on the grounds or nearby, criminal activity in the area)

Lockdown

- * All are moved into secure areas within the building to hide and, dependent on the circumstances, may use alternative options (escape, counterattack).

Activation Examples:

Hostage incident, kidnapping, active shooter

Emergency Response Procedures

Emergency Communications

Parents will be contacted immediately via phone, email, text or all three by the District; updates will be sent as available. If an evacuation is required, parents will be notified as to the location and transportation arrangements.

Your Role

- * Ensure your child's school has up-to-date phone numbers, and email and street addresses for you and for all emergency contacts. The District notification system uses this data to contact you.
- * Have an emergency care provider in place and listed on your child's record in the event of an early dismissal.
- * Know that administrators (District and school) and law enforcement personnel are the only official sources of information in a school emergency.

Electronic cigarette devices can look like a pen, a USB memory drive, a car key fob or even an asthma inhaler. Instead of inhaling tobacco smoke, e-cigarette users inhale vapor from liquid “e-juice” that has been heated with a coil. This is called vaping. The juice is flavored and usually contains nicotine and other chemicals. Some students use these devices to smoke marijuana.

■ **YOUNG BRAINS EASILY ADDICTED**
E-cigarette aerosol is not harmless “water vapor.” The aerosol that users breathe in contains harmful and potentially harmful substances including:

- Nicotine
- Ultrafine particles that can be inhaled deep into the lungs
- Flavorings such as diacetyl, a chemical linked to lung disease
- Volatile organic compounds, cancer-causing chemicals and heavy metals

Youth exposure to nicotine is particularly dangerous since it affects developing brain receptors, making them

more susceptible to addiction. Nicotine also affects parts of the brain that control attention, learning, mood and impulse control. Youth e-cigarette use has been associated with mental health symptoms such as depression.

■ **E-CIGARETTES ARE UNHEALTHY AND ADDICTIVE, YET WILDLY POPULAR AMONG KIDS.**
Use of e-cigarettes increased about 1000% from 2019–2020. Flavors and marketing make e-cigarettes appealing to youth.

Over 2 million middle and high school students used e-cigarettes in 2023.

VAPING

What You Need to Know

MORE AT [CCSD.EDU](https://ccsd.edu)

"They are cool, they make me feel as if I AM NOT ALONE!"

"They make it seem like there's a WAY OUT of addiction."

"They're the one thing ROOTING FOR ME to quit."

■ **THIS IS QUITTING**
The New York State Department of Health has partnered with Truth Initiative — a nonprofit national public health organization committed to making tobacco use a thing of the past — to create a New York State-specific intervention program: “This is Quitting.” This free, anonymous text messaging program is tailored to specific age groups (13–17 and 18–24) to give age-appropriate quitting recommendations.

New York State youth can text “**DITCHVAPE**” to **88709** to access the program.

Text **QUIT** to **(847) 278-9715** to receive messages designed for parents of vapers.
