Dear Parents, Faculty/Staff, and Community Partners,

With great enthusiasm and heartfelt pride, I welcome each of you to the start of a brand new school year at East Iberville Elementary and High School! As we come together once again, I am honored to continue serving in educational leadership—bringing with me 30 years of experience as an educator and 7 years in school administration. Each year brings renewed energy and purpose, and this year is no exception.

Our theme for the year, “Building the Future Together,” reminds us that the success of our students depends on the powerful partnerships we build between home, school, and community. As we enter the 2025–2026 school year, we do so with a shared commitment to academic excellence, character development, and an inclusive school environment where every student feels valued, supported, and empowered.

To our dedicated faculty and staff—thank you for the passion and professionalism you bring every day. Your tireless efforts are the foundation of our school’s progress and the reason our students thrive.

To our parents and families—your trust and support are essential. We look forward to strengthening our partnership as we work together to ensure each child reaches their full potential.

To our community members—thank you for being a vital part of our school family. Your involvement, generosity, and advocacy help shape a future filled with promise for every student we serve.

Let’s continue to lead with purpose, inspire with passion, and grow with unity. I am confident that, together, we will achieve great things this year.

Here’s to a successful, joyful, and impactful 2025–2026 school year!

With gratitude and optimism,

Kendra Paul

Principal
