

PENNSAUKEN PUBLIC SCHOOLS

Pennsauken High School

James R. Bevere, Ed.D.
Superintendent of Schools

JoAnn Young
President – Board of Education

Dr. Casey Crass
Assistant Principal

Dear Students and Guardians of the Class of 2029,

Welcome to Pennsauken High School! I am so excited to officially welcome you to the school. This fall marks the beginning of an exciting four-year journey, and I want to congratulate you on reaching this important milestone.

High school is a time for growth, exploration, and opportunity. As your Grade Level Administrator, I want you to know that I am here for you every step of the way. My door is always open, and I encourage you to reach out to me if you ever need guidance, support, or just someone to talk to. You are not alone on this journey—our entire staff is dedicated to helping you succeed.

I encourage each of you to get involved. Whether it's joining a club, playing a sport, or participating in one of our many activities, being engaged in the school community is one of the best ways to make friends, discover new passions, and create lasting memories. Pennsauken High School has so much to offer, and I hope you'll take full advantage of it.

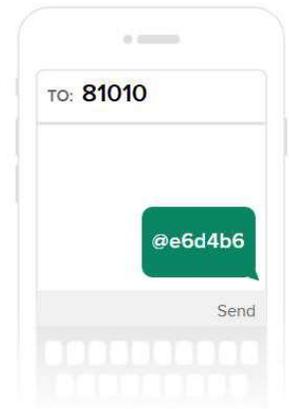

Equally important is staying on top of your academics. The habits you build now will shape your high school experience and your future opportunities. Stay focused, ask for help when you need it, and always give your best effort. Remember, your teachers, counselors, and I are all here to support you.

Once again, congratulations on beginning this exciting new chapter. I look forward to seeing all the amazing things you will accomplish over the next four years. Welcome to Pennsauken High School—you are officially part of our Code Red family!

With pride and excitement,

Dr. Casey Crass
Assistant Principal for the Class of 2029
