Title

Celebration of Student Achievement Growth

Requested Action

School Board Recognition of SY2024-2025 Celebration of Student Achievement Growth

Summary Explanation and Background

The Cherokee County School Board is proudly celebrating the remarkable growth in student achievement on state Milestones assessments, a testament to the hard work of students, teachers, and families.

This progress reflects not only the dedication within classrooms but also the unwavering leadership of a School Board that remains laser focused on ensuring every student reaches their highest potential. With a clear vision and strategic goals, the Board continues to champion academic excellence, support innovative teaching practices, and allocate resources to programs that drive student success. The recent gains are more than just numbers—they represent lives being shaped, futures being strengthened, and a community united in the shared belief that student achievement is the foundation of the District's mission.
