Classroom Snacks

In accordance with [District policy 246](#), we require all snacks being provided in the classroom to be “smart snack” compliant. Please visit the schools Food Services page on the schools website for more details

Please note the following:

- * For the Health and Safety of ALL students and Staff, all snacks are required to be pre-approved by food service and the school.
- * All store bought snacks brought into the school must be in original, sealed packaging with a legible ingredient list. All items need to be an individual “snack size” packages; no bulk items please.
