Email: GCBOE@glencoveschools.org | Phone: (516) 801-7015

About the Board of Education

The Glen Cove Board of Education (BOE) shapes policy and oversees the educational program for the Glen Cove City School District. It is comprised of seven trustees, each of whom must be a registered voter and have lived in Glen Cove for at least one year. Terms are staggered so that each year, at least two board seats are up for election. Beginning in the 2022-2023 school year, a student serves as a non-voting member of the Board.

The Board of Education welcomes residents, staff members, and other interested community members to attend its meetings. A livestream link is posted on the district website by GCTV. Decisions made by the elected School Board impact the district's educational programs and the overall well-being of the Glen Cove community.

Board Meeting Information

Notices for all Board of Education meetings are posted on the district website, on the community digital bulletin board at Forest Avenue and Dosis Lane, and at the entrance to Glen Cove High School. Regular business meetings, which provide the public an opportunity to address school-related matters, generally begin at 6:00 PM during the school year unless otherwise noted. At times, the Board may hold an executive session. An executive session is a portion of the meeting that is closed to the public. It's a period where the board can discuss sensitive matters. When this occurs, the meeting notice will indicate that an executive session is anticipated, the expected duration of the session, and the time the public meeting will reconvene, which will be 7:00 PM. Please visit the district website for the most up-to-date meeting times and locations. Scheduled meeting dates are listed on the last page of this calendar.

Public Comment Guidelines

Thank you for attending and signing in to speak. We value community input on matters related to our school district.

Speaking Expectations

- Public comment is limited to Glen Cove residents.
- Each speaker is granted 3 minutes. (visual timer will be displayed)
- All comments must be delivered in a respectful manner as we model respect for our students
- Naming individuals (staff, students, or community members) is strictly prohibited.
- Concerns regarding individual students or staff should be directed to building or central administration.

The Board is here to listen to your input and concerns.

- The public comment period is not a discussion or Q&A session.
- Please do not expect an immediate response during the meeting.
- Questions and concerns may require research and consideration.
- The Board or appropriate staff member will follow up at a future meeting or at the appropriate time.

Additional Communication: You may submit supplemental materials or further comments by emailing the Board at: GCBOE@glencoveschools.org

We appreciate your time, presence, and engagement in our meetings. Your input helps inform our decision-making and strengthens our school community. Thank you for sharing your thoughts, concerns, and suggestions respectfully. We are committed to listening, reflecting, and following up as appropriate. Your voice plays an important role in supporting the success of our students and schools. Please continue to stay involved and connected with our district.

District Administration Building

154 Dosis Lane, Glen Cove, NY 11542

Ida Johnson, District Clerk and Board Secretary – ijohnson@glencoveschools.org

A MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS

Dear Glen Cove Community,

As we welcome a new school year, I want to take a moment to thank you for your continued support and partnership. Our schools are successful because of the strong connections among our students, staff, families, and community.

I am incredibly grateful for our dedicated team of administrators, teachers, and staff, who consistently go above and beyond to cultivate vibrant, inclusive, and inspiring learning environments. Their unwavering commitment to student growth and well-being is the foundation of our success as a District.

I also want to recognize our remarkable students. Their enthusiasm for learning and willingness to take on new challenges reflect the resilience, curiosity, and strength of character that make Glen Cove truly special.

To our families, thank you for your ongoing trust and collaboration. Your involvement and partnership is a vital part of what makes our district a thriving and supportive community.

I am confident this year will bring exciting opportunities, meaningful achievements, and lasting memories for students and staff members alike. Together, let's make it a year to remember.

With appreciation,

Dr. Alexa Doeschner
 Superintendent of Schools

Community and School Organizations

These organizations welcome into their membership parents, teachers, administrators, and all interested citizens.

Booster Club

The Glen Cove Booster Club is a parental organization that supports the athletic program at Glen Cove High School. The Booster Club hosts an awards ceremony in June to honor athletes participating in the fall, winter and spring sports. In addition, the club sponsors many activities designed to promote school spirit and generate community involvement in the sports program. For information, contact President Elizabeth Anderson via email at tishy91@gmail.com.

Glen Cove Council of Parent Teacher Associations

The Glen Cove Council of PTAs provides an opportunity for local PTAs and their members to exchange ideas, and plans as well as solve mutual problems through meetings and workshops. We provide a unified, effective voice in relationships with the school district, community partners and parents. PTA Council broadens and deepens the public understanding of the home- school connection while building stronger, more effective PTAs. Our nonprofit organization is dedicated to raising money for high school seniors and to act as a leading voice advocating quality education and a nurturing environment for all of our children. An annual Scholarship Brunch is held each year by the PTA Council to raise funds for the Community Scholarship Fund which awards scholarships to deserving seniors.

School District Budget

A public vote on the budget will be held on Tuesday, May 19, 2026. Residents are welcome to comment and offer suggestions on budget matters at regular Board meetings throughout the year.

Un voto publico sobre el presupuesto se llevara a cabo el dia martes 19 de mayo, 2026. Los miembros de la comunidad son bienvenidos a comentar y ofrecer sugerencias acerca de asuntos relacionados con el presupuesto en reuniones regulares del Consejo.

Emergency Closing of Schools

When severe weather conditions or other emergencies require the closing or delayed opening of schools, information will be posted on the district website and shared through ParentSquare via app notification, text message, email, and phone call at approximately 6:30 a.m. Notifications will also be shared on News 12 Long Island.

Districtwide Operations and Maintenance

The district has completed its triannual survey of all the buildings and continues its semiannual surveillance requirements under the regulations of AHERA. This, combined with the district's ongoing maintenance program, has produced a list of operation and maintenance repairs on a districtwide basis. A summary of these repairs is included in each building's management plan. Any individual may review a building's management

plan by going to the school's main office and requesting it. Copies of all the schools' management plans are available for review at the district's central offices at 154 Dosoris Lane, Glen Cove, NY.

Asbestos Notification

In accordance with 40 CFR § 763.84(c), regard this statement as the district's annual notification to all workers, students and/or their legal guardians that the district continues to maintain its Asbestos Management Plan which documents all performed and planned asbestos-related inspections, response actions and post-response action activities, including periodic reinspections and surveillance activities within the school district. A copy of this AMP is available for your review and/or inspection at the district's facilities office and in the main office of each school building.

Pesticide Notification

We are pleased to inform you that no pesticides are used within school district facilities. The State Education Department dictates that the least-toxic pesticide may be used only when absolutely necessary. Any student, parent or staff member may register to receive written notification 48 hours prior to regulated pesticide application. Individuals may request that their name be added to the school registry at any time during the school year. All interested parties should contact the district's pesticide representative at 516-801-7090.

Pre-Kindergarten

The Glen Cove CSD offers a free, full-day Universal Pre-K standards-based program that aims to build strong foundational skills that help prepare students for kindergarten. The program is open to children who will be four years old on or before December 1 of the school year. Funded by New York State's UPK and SUFDPK Grant Program, the Pre-K program includes classes within the district and at local community-based sites. Transportation is not provided.

Applications for the upcoming school year open in December, and available spots are filled through a lottery held in February. Registration must be completed online and include required documents such as proof of age, immunization records, proof of residency, and a parent/guardian photo ID. Placement is not guaranteed, and students not selected will be placed on a waitlist. For more information, visit the district website or contact the UPK office at 516-801-7008.

Eligibility for Kindergarten

A child who is five years of age on or before December 1 is eligible to enter kindergarten in the fall of that year. Kindergarten registration takes place in the preceding spring. At that time, parents must provide proof of residency and a birth certificate or other acceptable legal proof of age. A physical and dental examination is also required. Proof of the examinations, plus information concerning dates of immunization and any communicable disease the child has had, must also be submitted to the school district health office at the time of registration. Please scan the QR code to access our registration webpage.

First Year Primary Admission

A child six years of age on or before December 1 is eligible to enter first grade in the fall of that year. A child who turns six years of age after December 1 may be eligible for first grade if:

The child has attended and satisfactorily completed a full year's work at a registered nonpublic kindergarten;

The child has attended an unregistered nonpublic kindergarten, and:

Glen Cove School officials determine that the kindergarten attended provided a substantially equivalent instruction to that child as in a registered or public kindergarten. (Equivalency will be determined using the regulations of the commissioner for registration of nonpublic schools and kindergartens.)

The child satisfactorily completes a selection of tests chosen by school authorities.

The child demonstrates the physical, social and emotional maturity necessary for first-year primary success.

Transportation

Transportation to and from the Glen Cove Schools is provided for all children in kindergarten through grade 5 and to students in grades 6 through 12, who live more than one mile from the school they attend (as measured over the shortest available route). In compliance with New York State law, the district provides equal transportation services for Glen Cove children in grades K through 12 attending nonpublic schools up to 15 miles from their homes.

Please note: The deadline for submitting an application for transportation to nonpublic schools is on or before April 1, 2026 for the 2026-2027 school year. Although distances are measured from the student's home to the school, the law does not require a school bus to pick up a student at his or her front door. In most cases, students are required to walk to bus stops designated and approved by the Glen Cove Board of Education. For further information about the district's transportation policy, contact District Transportation at 516-801-7075.

Family Education Rights and Privacy Act

The Family Education Rights and Privacy Act affords both parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the district receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask the Glen Cove School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the district decides not to amend the record as requested by the parent or eligible student, the district will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the district as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist); or a parent or student serving on a special committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility.

Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failure by the district to comply with the requirements of FERPA. The name and address of the office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C. 20202-2605.

Title 45

Unless objection to any of the specific items of information following is submitted in writing by parents or legal guardians or by those students themselves who are over the age of 18 years, the Glen Cove School District herewith gives notice of intention to provide, release or publish in the newsletters, school or student newspapers, website and other social media platforms, magazines, yearbooks, or other publications, daily or weekly newspapers, athletic programs and/or news releases all of the following information pertaining to students as may be appropriate under the circumstances: name of student, names of parents, address, age, height, weight, grade, major field of study, participation in recognized school activities, extracurricular activities and sports programs, academic honors, achievements, awards, scholarships and similar information. Those objecting to such release must make specific requests to the Superintendent of Schools on or before October 1 of each school year. Failure to make such a request shall be deemed consent to release, provide or publish the directory information.

Title IX

Title IX is the portion of the Education Amendments of 1972 which prohibits sex discrimination in federally assisted programs. On July 21, 1975, the final Title IX regulations went into effect. Specifically, Title IX states: No person in the United States, shall, on the basis of sex, be excluded from participation in, be denied the benefit of, or be subjected to discrimination under an education program or activity receiving federal financial assistance. The major policy areas include educational programs and athletics, physical education and employment. Any concerns regarding this policy should be addressed to the Title IX compliance officer Andrew DiNapoli at 516-801-7040.

Special Education

The Glen Cove School District runs a comprehensive special education program meeting the specific needs of students from primary grades up to age 21, with a full continuum of services to address the individual needs of the student identified with disabilities. For specific information, please visit our website at www.glencoveschools.org or call 516-801-7050.

Food Services

The Glen Cove School District offers a comprehensive meal program, including breakfast, lunch and free and reduced-price meals for those who qualify. For complete information, please visit our website at www.glencoveschools.org. Scan the QR code to view the breakfast and lunch menus. →

Attendance

The state education law permits legal absence or tardiness for the following reasons only: sickness or death in family, impassable roads or weather making travel unsafe, religious observance, required presence in court. Parents are requested to advise the school by telephone early in the morning of the reason for a child's absence or lateness and to provide the student with a written excuse when they return to school.

Student Health

All students must have documented proof of immunity in accordance with the New York State Department of Health, Public Health Law 2164, to be admitted to school on the first day. Immunization requirements can be found on our website at www.glencoveschools.org under Families, Student Health.

Parents' Right To Know

In accordance with the No Child Left Behind Act of 2001, the Glen Cove School District is required to notify parents of each student attending a Title I school that they may request information regarding the professional qualifications of their child's teacher(s) and paraprofessional staff. NCLB allows parents to ask for the following information about their child's classroom teacher(s):

- Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status, through which state qualifications or licensing criteria have been waived;
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications. Please contact the Superintendent's office in writing if you require this information.

Marvin Gomez, Glen Cove High School Grade 10 (2024-25)

Giorgina Dondero, Glen Cove High School Grade 9 (2024-25)

DASA - Dignity for All Students Act

The Dignity for All Students Act (DASA) was enacted by New York State in 2010 and took effect on July 1, 2012. This law protects students from harassment, discrimination, and bullying by other students or school employees. DASA ensures that no student shall be subjected to discrimination based on their actual or perceived race, color, national origin, ethnic group, religion, religious practice, disability, weight (or other physical features), sexual orientation, gender identity, or biological sex. DASA explicitly states that bullying, taunting, and intimidation on the protected grounds listed above are all forms of harassment; however, it is not limited to those categories.

Harassment under DASA is defined as the creation of a hostile environment through:

- Repeated conduct or verbal threats; intimidation or abuse that has or would have the effect of unreasonably and substantially interfering with a student's educational performance, opportunities or benefits, or mental, emotional or physical well-being;
- Conduct, verbal threats, intimidation or abuse that reasonably causes or would reasonably be expected to cause a student to fear for their physical safety.

In response to this new law, and following the recommendation of the NYS School Boards Association, Glen Cove School District has reviewed its policies related to student conduct and social-emotional learning and has strong procedures in place to deal with these issues. The required updates have been made and are now included in the Board Policies as well as the Code of Conduct for students. These documents can be found on the school website on the Board of Education page at www.glencoveschools.org. The QR code provided will take you directly to our website's District Plans page, where these documents can be found.

Building principals will serve as Dignity Act Coordinators in each of our schools and the Assistant Superintendent for Curriculum, Instruction, and Technology will be serving as the District DASA Coordinator. All employees will continue to be provided with Dignity Act training during this school year. Instruction will be given to students regarding this act as well. The District will also continue to deliver its curriculum to promote respect and other age-appropriate resources. As is always the case, a partnership between home and school is essential.

GCTV is the Glen Cove City School District's official broadcast channel, providing live coverage of Board of Education meetings, school events, and other district programming. Stay connected and informed with what's happening across our schools — tune in live from any device. Watch GCTV Live! Scan the QR code to access the **GCTV** live stream.

Glen Cove City School District

Code of Conduct Summary

This summary of the school district's **Code of Conduct** has been developed as required by the New York State SAVE Act and will be distributed to students and parents at the beginning of the school year. A complete copy of the Code of Conduct is available upon request by contacting the building where your child attends school or on the district website. (Scan QR Code).

This code has been adopted by the School Board and submitted to the New York State Education Department as required by law. The Code applies to all students, school personnel, parents, and other visitors when on school property (including school buses and vehicles) or attending a school function.

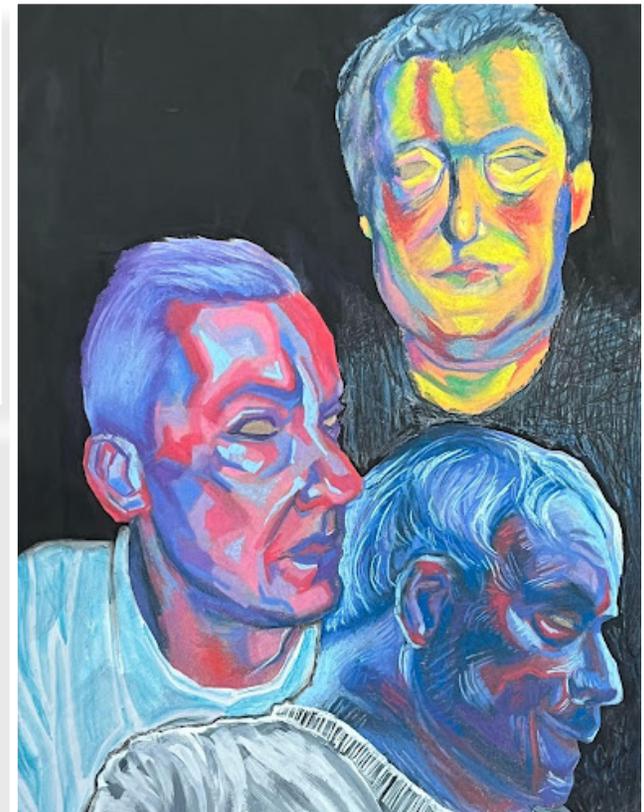

The Code contains the following provisions:

- Appropriate conduct, dress and language when on school property, including a school function.
- Acceptable civil and respectful treatment of teachers, administrators, other school personnel, students, and visitors on school property or at a school function.
- Appropriate range of disciplinary procedures that may be imposed for violations of the Code.
- Roles of teachers, administrators, other school personnel, the Board of Education and parents.
- Standards and procedures to ensure the security and safety of students and school personnel.
- Provisions for the removal from the classroom, school property (including school functions) of students or other persons who violate the Code.
- Disciplinary measures for possession or use of illegal substances or weapons, the use of physical force, vandalism, violation of another student's civil rights, and threats of violence.
- Provisions for detention, suspension and removal from the classroom of students including plans to ensure continued educational programming and activities for such students.
- Procedures by which violations are reported, determined, discipline measures imposed, and such measures carried out.
- Provisions which ensure that enforcement of the Code are in compliance with state and federal laws relating to students with disabilities.
- Procedures for notifying local law enforcement agencies of Code violations which constitute a crime.

- Provisions for notifying persons in a parental relation to the student of Code violations by the student.
- Provisions and procedures by which a complaint in criminal court, a juvenile delinquency petition or person in need of supervision petition as defined in article three and seven of the Family Court Act will be filed.
- Circumstances under and procedures by which referral to appropriate human services agencies will be made.
- A minimum suspension period, for students who repeatedly are substantially disruptive of the educational process or substantially interfere with the teacher's authority over the classroom, provided that the suspending authority may reduce such period on a case-by-case basis to be consistent with any other state or federal laws.

The **Code of Conduct** shall be developed in collaboration with students, teachers, administrators, parent organizations, school safety personnel and other school personnel and shall be approved by the Board of Education. Scan the QR code to visit our website and access the complete Code of Conduct.
