

LCTC Student Parking Information 25-26

Parking at the Career Center is a privilege, as all students have available bus transportation. This year ALL students driving to the career center will need to purchase a parking permit. Parking permits will be distributed on a first come, first served basis. We have a limited number of parking spots available for our students.

- The cost of the parking permit is \$20 for the entire year, payable only through School Pay (Link and QR code below). Please save a picture of your receipt, you will need it to receive your permit.

- Students who drive to the Career Center need to be **on time** for their class. If excessive tardiness becomes an issue, parking at LCTC may be suspended. The administration reserves the right to make final determinations, and there will be no refund for the cost of the permit.
- Students may not transfer ownership of a parking pass to another student.
- Students may only park in designated parking spots.

Student Parking Procedures

Thank you for your cooperation in this process and for helping us provide a safe parking environment for students.

Please read the [LCTC Parking Lot Rules and Regulations](#)

Students must fill out the information form and pay online by Friday, August 29th, 2025
