Hi! Thank you for submitting your request with the 4260 form.

Attached are the documents currently in our possession that fulfill your public records request. Unfortunately, we do not currently possess the specific policies you requested.

Moreton & Company has up to 30 days to provide those policies to us. As of today's date, July 14, we have not yet received them.

The documents included in this response represent all records currently available to us that match your request.

Attached is:

3. Copy of every first-party property, inland marine, auto physical damage, and mechanical breakdown insurance policy or policies the Emmett School District currently has in place effective July 1, 2025, and later. Including (a) a copy of all insured locations, (b) property values used, (c) rates applied, (d) deductibles and coinsurance applicable to every policy. If the coverage provided is a blanket style policy, provide a copy of the statement of values that correlates with the value used for these policies.

7. Copy of every application submitted or used to procure the above referenced insurance policies.

10. Copy of communications Emmett School District received from your insurance broker or agent, Moreton & Company, for the policies referenced above.

Please let me know if you have any questions or require further assistance.
