Duck On A Bike

cover

- figurative language- personification (the main character is doing something that humans do)
  - Audience (the book cover is implying that it is meant for little kids, mainly because of all the bold colors)
  - Character (introduces the main character and what they look like)

first page/exposition

- Setting (the narrator tell the audience where the story takes place)
- character trait- internal thinking (the main character has an idea that sets up the main focus on the book)
- Event (the main character is in an event that they cause)
- Character (narrator introduces a character)
- character trait- action (the main character decides to do what he thought about doing)
- Event (the main character is in an event that they cause)
- figurative language- personification (the main

Second page/rising action

- figurative language- onomatopoeia (the narrator adds a word that is like how the word sounds)
- sentence variety (the narrator adds different kinds of sentences)
- Tone (how the character acts towards the main character because of what the main character is doing)
- Sensory details (the author includes sensory details)
- Character (the main character meets another character)
- character trait- action (the main character does something)
- character trait- dialog (main character says something)

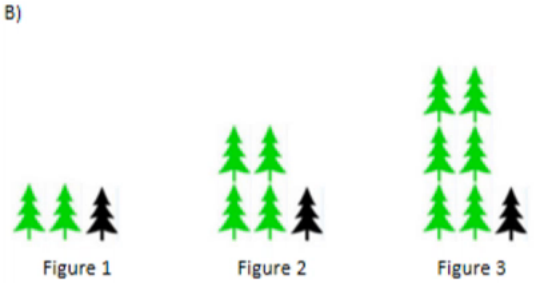

What makes a good story?
What does this book do to help us write our books?

Figure #	Number of cubes
1	3
2	5
3	7
4	9
5	11

Write an equation to predict the number of trees for any figure #.

x = figure #
y = # of trees

$y = 2x + 1$

what do you think is the hardest thing about being an immigrant?

6 replies from [redacted] and 2 others

S [redacted] 11:01 AM 1

Fitting in as an immigrant is so difficult. No matter what ever you do you will always be branded as "immigrant". You will stand out and people need to adapt to that

Reply

D [redacted] 11:02 AM

if like you from different county and you movie to American the mean you are immigrant

Reply

N [redacted] 10:44 AM

Any kind of immigrants that are terrorists come here illegally.

5 replies from [redacted] and 2 others

[redacted] 11:02 AM

Yes, it is dangerous to assume that all illegal immigrants are terrorists. Some immigrants come over to the country as illegal because they don't have any choice or don't have much motivation to go through the long
